

BOSWORTH ACADEMY
TOGETHER WE ACHIEVE

Welcome

16th June 2023

in the loop

Weekly Newsletter for Parents & Students

This week it has really felt like summer has arrived. Beautiful blue skies and high temperatures every day are not what we are used to. Students have been enjoying their time on the school field during breaks and lunches. At the beginning of the week we had to remind students of the importance of not dropping litter on the field. I'm glad to say that since then we've seen a real improvement. We expect all students to use bins and look after our shared environment. At the end of lunch when we leave the field for lessons we all pick up a piece of litter to make our contribution whether it is ours or not.

That collective support for one another helps to encourage all students to use the bins around our school.

Though the weather is hot we still expect students to wear their uniform though we are not insisting on blazers or sweaters to be worn. We are doing what we can during the day to keep the school cool during this hot weather and it's important that students bring a water bottle to school.

Many of our students have now reached the end of their summer examinations with only a few subjects still to be examined next week. It has been a delight to support your children through their time here at Bosworth. Though

at times there were some ups and downs, overall we have seen them develop into incredible young people with great student agency. Teachers and support staff are so proud of them too, and they have so much appreciated the many thank you cards and small gifts that they have received. This fits in well with Wednesday 21 June, which is National Thank a Teacher Day and we are inviting any parents or carers who would like the chance to show your appreciation to our teaching and support staff by completing this [Google Form](#) nominating member(s) of staff and writing your thank you. Those small acts of gratitude always have a strong emotive impact on our staff in ways you may not even realise.

I hope you all have a great weekend, it looks like it will be a little cooler next week!

Mr Brown
Headteacher

Year 11 Class of 2023

I have been so proud to watch you through the exam period, you have demonstrated courage, resilience and amazing character. The way you have conducted yourself in the exams has been amazing.

CLASS
OF
2023

I am so proud to have been your Head of Year! It has the best job and I will miss you all. Thank you for all you have taught me. We have had a rollercoaster of a ride. I have had to

challenge you at times and some of you have challenged me but I hope you have felt supported, listened to and valued. I hope you have learnt from any mistakes made and have felt that we have always had your best interests at heart. You have shown amazing strength and character which is shown by the amazing young people you have developed into. I have no doubt that you will go on to be successful and I cannot wait to hear about where the next path takes you. It has been a pleasure to watch you grow into the young adults you are today.

Remember to always be kind to others and also yourself. Life at times is tough but is also amazing. Remember when times get tough this is the time to keep going, never give up and always dream big. I hope we have taught you the value of not only the academic side of education but also the compassion and empathy for others.

A massive thank you has to go to all your tutors who have supported you throughout the last year, thank you for all you have done for Year 11. Mr Hewitt our Assistant Year Head who has supported so many of you and me with the roles as your Head of Year has done an amazing job - Thank you so much for your hard work.. Remember to thank those teachers who have supported you. To our Class of 2023, keep working hard, keep those dreams and aspirations - keep being amazing! I am so very proud of you and I believe in each and every one of you. I will miss you all.

I look forward to seeing many of you at the Prom.

Miss Jacobs, Head of Year 11

Year 11 Prom Update

The Year 11 Prom is just under two weeks away and students have been working hard on earning reward points for their Prom Passports.

Well done to 11SPA who earned the highest reward points! Their efforts were rewarded with free pizza.

We have also been raising money for the Prom through a raffle - thank you to all those who donated items and bought raffle tickets. Over £450 was raised!

All prize winners have been notified via email and prizes are to be collected from MLT.

A reminder that Year 11 Prom is on Wednesday 28 June at 7PM - we look forward to seeing you then!

Miss Jacobs, Head of Year 11

Thank a Teacher Day

Wednesday 21 June is National Thank a Teacher Day and we are offering you the chance to show your appreciation to our teaching and support staff.

Simply complete this [Google Form](#) nominating member(s) of staff and write your thank you.

[Back to Contents](#)

Annie Dress Rehearsal

Dress Rehearsals for our Year 8 Bosworth Productions performance of Annie were in full swing on Monday night.

The students did a great job working extremely hard in the heat. All involved were given an ice lolly to cool down during the rehearsals. Later in the week the students went to see a performance of Annie the Musical at the Theatre Royal in Nottingham. They are now even more prepared and buzzing to put on their version of Annie.

We are looking forward to Bosworth Productions performances of Annie in just under two weeks on 28 and 29 June at 7.30PM. Not got your tickets yet? Get them on sQuid £7 for adults and £3.50 for children. See you there!

Mrs Jones, Teacher of Drama

Year 10 Drama Exam

Year 10 Drama students have been off timetable today completing their first big practical Component 1 exam.

Students were able to choose whether they wanted to be actors or designers.

Here you can see the costume and makeup design created by Lena Widdowson.

Her group created a performance about climate change and how public figures such as politicians and business owners must be held accountable for their words, deeds and actions over this matter. This costume represents the planet as it should be on one half and its decaying state on the other. All students have worked incredibly hard towards this exam and produced great work on the day. I am very proud of them!

Miss Ravel, Teacher of Drama

23-Jun	9.00am	2h	AQA	AL	Chemistry ADV Paper 3
23-Jun	1.00pm	1h 30	Edexcel	AL	Decision Maths.1

Exam Information

The exam regulator Ofqual has [published useful guidance](#) for students on 2023 summer exams. This is the first year since the pandemic that exams have taken place. Exam boards will mark the papers using the same mark schemes as were in place in 2019 and in 2022 (the last two years in which exams took place). Wednesday 28 June is a national exam contingency day, in case any exam has to be rescheduled. This should already be on students' exam calendars. It is essential that students are available on this day and don't book a holiday over this period, even if their last scheduled exam is over. This date hopefully won't be needed, but if it is, and students cannot attend due to holiday, they will not receive any marks for that paper. Full details can be found by reading this [letter](#). We wish all our students the best of luck with the rest of their exams.

Mr Dolinski, Deputy Headteacher

Year 11 Revision

Useful revision guides, including top tips, are available on the Bosworth Academy [website](#).

**NO MOBILE PHONES
NO WATCHES
NO MP3/4 PLAYERS**

**NO POTENTIAL TECHNOLOGICAL/WEB

Pride Day Event

To celebrate Pride Month, we will be having our second ever Pride Event on Wednesday 28 June during tutor intervention.

The event will run from 12.35PM until 2.10PM and there will be lots of activities to take part in such as biscuit decorating, bracelet making, a photo booth, Mario Kart tournament and a picnic!

Everybody is welcome to attend. You can be part of the LGBT+ community or an ally.

Students who would like to attend the event need to fill out this [form](#). Year 11 and 13 students are welcome to come back to attend the event.

We look forward to seeing you there!

Mrs Kirkham

TO LEARN TO ACHIEVE

Presents

Pride Day Wednesday June 28 2022

12.35-14.10 - Main Hall

Join us for live music, picnic, biscuit decorating
and many more activities!

Teacher Training

Looking to join a unique profession shaping the lives of the next generation? Have you considered teaching?

Part of the LiFE Multi-Academy Trust, we offer our own school direct route to teacher training.

Take a look at our [website](#) for more information, applications will be closing soon on the 25th June 2023.

Mrs Sterne, Teacher Training Administrator

Bosworth Pride Bake Off

To celebrate Pride Month we are launching a Bosworth Bake Off competition that is open to our whole school; students, staff and families in our community.

We would like you to enter your best RAINBOW CAKE. This could be a large sharing cake or individual cupcakes. Get creative!

Recipes can be from your favourite website, cook book at home or using the 'basic' ones below. Cooking is therapeutic and great for your wellbeing so we hope you will want to get involved.

Judging will be done LIVE at the Pride Event on the 28th June and will be based on; the range of skills demonstrated, creativity and the presentation of the final dish.

Cakes must be brought into school on the morning of the 28th June and brought to the main staff room, where Mrs Kirkham will meet you to store the cakes safely for the day, until the Pride Event Period 4.

Full details and recommendations can be found [here](#).

Happy baking!

Mrs Kirkham

Clubs and Activities

At Bosworth Academy we have a range of clubs and activities during break times and lunch times where students can explore their interests.

From badminton to Dungeons and Dragons, science to chess - students can learn new skills and meet new friends.

The break and lunch time clubs and activities are available to all students and a full time table can be found [here](#).

We look forward to seeing you!

Mr Mainard, Associate SLT

[Back to Contents](#)

Maths Puzzle of the Week

Calling all Bosworth Mathematicians!

This week's Maths puzzle is here and anyone can enter. All you need to do is to write your solution and any working on a piece of paper and place it in the labelled blue boxes outside the Maths office with your name on or email a photo to hbarrowcliffe@bosworthacademy.org.uk.

Below is the answer to last week's conundrum as well as this week's puzzle.

Last Week's Answer: 11

Working out the solution to this puzzle can be done in a few ways. My favourite way is to solve it entirely by using the diagram below.

All the large sheets have been labelled with their page numbers. We can see that Natalie must have picked this red sheet (which has page 29 on it). The four pages on this sheet are 11, 12, 29 and 30.

That means that the lowest page number on the sheet is Page 11.

This Week's Puzzle—Charging Phones

Rae has four phones but only three phone chargers.

All four of her phones have completely run out of battery.

Each of her phones take 60 minutes to charge fully when they have run out of battery.

She can stop and start the charging of each phone.

What is the fastest that Rae can fully charge all of her phones? Give your answer in minutes.

Higher Ability Tips

Stretch your ability by trying these top tips.

History

Key Stage 3

Watch a documentary or historical drama and discuss the way of life and attitudes of some of the key characters, the places and technology in the time period with an adult.

Key Stage 4

Gather pictures that show one period of time that you have studied in Key Stage 4. Stick these on paper and annotate them to link them to the second order concepts: causation, consequence, significance and similarities and differences to the current period of time. Show this to your teacher before adding it to your revision notes. A sense of time and place is key to historical understanding.

Mrs Wright

Year 10 A Level Taster Day

On Friday 7 July Year 10 students will have the chance to experience what being a Post-16 student is like and to get a flavour of A Level subjects you may be interested in studying.

Talk with your tutors, teachers and parents about possible future pathways and sign up on the Google Form from 21st June if you'd like to explore A Levels. We look forward to seeing you in The Oaks.

Miss Woolley,
Head of Year 12

[Back to Contents](#)

Sports Day Update

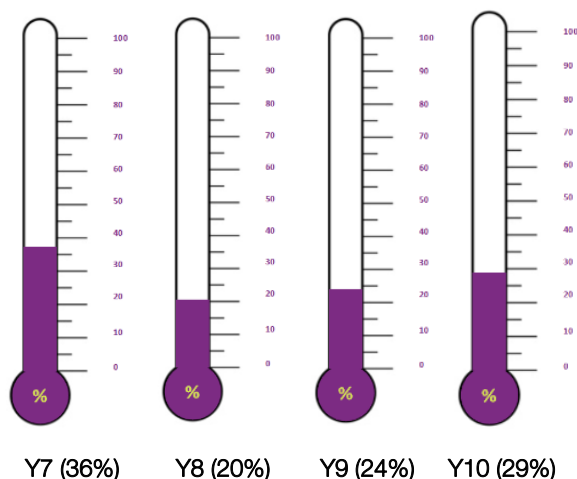

This year's Sports Day will be held on Monday 10 July. Students have now selected their events for the big day and are preparing their sports day posters and banners to support team mates on the day.

Sports Day will always be part of the school calendar but in order that students can experience it at Saffron Lane Athletics Stadium, rather than on our school field, we are asking parents and carers to make a contribution of £5. This will allow us to hire the buses and the state of the art facilities. Payment for this can be made on sQuid by Friday 30th June. If you have any issues in accessing sQuid then please contact the office on office@bosworthacademy.org.uk.

Tutor groups are also busy planning fundraising events to help raise money for sports day too.

Tutor groups will gain points towards their overall total for all money raised and contributed by parents.

You can see the students' progress towards their goal below in our percentage thermometers.

Many of our current and ex-students tell us Sports Day features as one of their favourite memories of their time at Bosworth and we look forward to creating an event that will help produce new positive memories.

Highlights from last year's Sports Day can be found by scanning the QR code.

Mr Grest,
Associate Senior
Leader

Sports Day Sponsorship

We are still looking for sponsors for this year's Sports Day.

smallman & son

commercial building contractors

The day is sponsored by Smallman & Son Ltd. Holdsworth Foods and Kenway Construction Ltd are sponsoring the stand, Commercial Glazing Midlands Ltd is sponsoring the transport and The Candybox is sponsoring transport and the events.

We run the annual Sports Day for all students in Year 7-10 which is around 1000 students. We run a mixture of traditional and non-traditional events and host the

day at Saffron Lane Athletics Track in Leicester. We believe that giving students the opportunity to compete in a high quality environment really adds to the day and is an unforgettable experience for all involved.

Year on year the cost of the event increases so this year, to help fund the event, we are asking companies if they wish to sponsor the event alongside fund-raising activities led by each tutor group as well as asking for contributions from parents.

Please get in touch if you would like to sponsor this event to help with the costs and ensure that we can continue to give our students this experience. Your company's name will be shared on our social media channels and also in our 'In the Loop' newsletter and via communication with parents regarding the event. If interested then please contact Liam Grest (liamg36@bosworthacademy.org.uk) to discuss how you can support this.

Mr Grest, Associate Senior Leader

Holdsworth
FOODS

Y10 Geographers in Iceland

You may know that the school is organising a four day visit to the amazing country of Iceland in March 2024.

We first offered this to Year 12 students or Year 11s going into Year 12.

But - we've had loads of students asking for more information and whether they can go if they are in Year 10 now.

So - we now have up to 9 more places to offer to Year 10 Geography students. These are filling up FAST!

If you are interested you need to email me to confirm your interest. We will then contact your parents with more info, a brochure and a payment plan. We will visit all of the incredible landscapes the country has to offer including glaciers, hot springs, volcanoes, and an amazing coastline. The cost of the visit is approximately £1000 and includes hotel accommodation and flights. If you already have emailed me - talk to your friends - if not do reply to tell me you are interested ASAP!

In order to attend we may ask you to meet certain character for learning scores, to demonstrate your interest in Geography as a subject potentially for studying it at A level :)

Please email me on

matthewb153@bosworthacademy.org.uk

as soon as possible if this is something you'd like more info on!

Mr Blackmore, Head of Geography

Arbor Parent App

Thank you to all of the parents and carers who are using the Parent Arbor App. If you were not aware of the app, it is a useful tool that can help you keep track of your child's progress. The app provides you access to their most recent report, behaviour and attendance tracking and also allows you to easily update us on any changes we may need to know about. Learn more by visiting <https://www.bosworthacademy.org.uk/arbor/>

In the Loop Memories

We like to reflect on student achievements and activities by highlighting what happened In the Loop newsletter this time one year ago.

The 17 June 2022 edition of In the Loop featured former student, and Next employee, Georgia Proffitt giving a STEM talk to existing Computer Science students:

"Female students from Years 8, 9 and 10 learnt how females have overcome barriers to have a

career in STEM-related businesses as well as industry pioneers.

Georgia Proffitt is currently a Trainee Developer for the Instore Systems at Next and has recently developed an app which works on shop registers as well as moving software on to the cloud. She also showed students the technology used in store with a scanner which reads the security tags on clothes that identifies any issues related to stock.

Georgia studied Computing, Maths, Physics and Chemistry for A Level here at Bosworth Academy before studying Computer Games Programming BSc (Hons) at De Montfort University where she graduated in January with a first class grading. Students were also given cyphers and puzzles to decode and the girls showed great Communication and Collaboration in working out the problems.

It was great to hear from Georgia and is inspiring to the next generation of STEM female students.

Mrs Riozzi, Teacher of Computer Science

What Parents & Carers Need to Know about MONEY MULING

Money muling involves individuals – very frequently young people – being recruited to transfer illegally obtained funds into and out of their bank account on behalf of criminals (often without even realising that's the kind of activity they've become embroiled in), and usually being allowed to keep a certain amount for themselves. It's essentially a digital form of money laundering. This guide highlights some of the risks associated with money muling, and provides parents and carers with useful tips to help safeguard young people against becoming ensnared by this growing online hazard.

WHAT ARE THE RISKS?

LEGAL REPERCUSSIONS

Young people may be lured by the promise of quick, easy money, but by doing so they will become unwitting participants in activities that can have severe legal and financial consequences. Money muling is a serious offence under UK law: involvement in such schemes can result in imprisonment and fines (or both). Remember, the threshold for criminal responsibility in the UK is 10 years of age.

ONLINE RECRUITMENT

Cyber-savvy criminals are increasingly using various online methods, including social media apps and gaming platforms, in their attempts to recruit young people as potential money mules. The criminals often deploy persuasive, deceptive tactics to gain children's initial interest and attention, then seek to exploit their trust and naivety.

POSSIBLE EXPLOITATION

Money muling is frequently carried out in tandem with other organised criminal activities such as the drugs trade or human trafficking. Not only is money muling a criminal offence in its own right, therefore, but it could also expose young people to harmful situations as well as potentially putting them in contact with some extremely dangerous individuals.

FINANCIAL LOSSES

If they (even unknowingly) transfer funds that are traced back to criminal activities, money mules can face considerable financial losses: their bank may freeze their accounts, and they can be held liable for any illegally obtained funds. People involved in money muling often also find themselves at greater risk of becoming entangled in other forms of criminal financial exploitation and fraud.

LONG-TERM CONSEQUENCES

Involvement in money muling can have a lasting negative impact on a young person's reputation, education and employment prospects, and place colossal strain on their family life. A conviction for financial fraud would significantly damage a young person's future opportunities: they could be blocked from opening a bank account, taking out a mortgage or even securing a phone contract.

Advice for Parents & Carers

EDUCATE AND COMMUNICATE

Talk to your child about the risks and consequences of money muling, emphasising the importance of making informed decisions and seeking guidance if they need it. Create an open, non-judgmental space which encourages them to share their concerns and experiences, ensuring they feel comfortable getting help if they suspect they may have become involved in money muling.

MONITOR ONLINE ACTIVITIES

If you have concerns, you might want keep a closer than usual eye on your child's online presence, including their profiles on social media and any gaming platforms that they use. These can often serve as useful early warning systems which might help you to detect any signs of attempted recruitment by criminals or other types of suspicious behaviour.

TALK ABOUT MONEY

Discussions about avoiding being recruited as a money mule are also good opportunities for a refresher with your child about financial responsibility and good money management. It's also a helpful starting point for highlighting the importance of earning their money by honest means and the potential consequences of getting involved in illegal activities, both online and offline.

STAY INFORMED

Criminals' methods and approaches to recruiting young people as money mules frequently evolve to reflect the online landscape. Try to stay aware of criminals' current tactics and make time to regularly check out resources provided by schools, law enforcement and financial organisations. The Don't Be Fooled Campaign (at www.moneymules.co.uk) has plenty of useful information and advice.

REPORT YOUR SUSPICIONS

If you have reason to believe that your child, one of their friends, or someone they know has been recruited into a money muling operation, seek support and then report your suspicions. For your own safety, please don't attempt to directly confront anyone you suspect of organising money muling. Instead, contact Crimestoppers anonymously on 0800 555 111.

Meet Our Expert

Rose Savage has a proven track record in countering financial crime, having spent 13 years with UK law enforcement – specialising in money laundering investigations and asset recovery from organised criminal groups. He now holds senior visiting expert positions at various organisations and delivers customised training and consultancy to government and private-sector clients worldwide.

The Compass

Amazing Reading

Our KS3 students took part in Leicester Readathon, a sponsored read, back in March.

Our best reader and fundraiser was Dylan M in 7ECK, who has at the time also set himself a challenge of reading every single day, which he has kept up with ever since. Dylan has just received a £10 book token from Read for Good charity and a certificate to reward him for his efforts. Well done Dylan! There is also more amazing reading going on in our school. We have just finished a

'spring marking period' for our Accelerated Reader programme, which ran from 27 February until 4 June.

Each student in KS3 has a target set for them for each marking period, based on their reading ability - they take a quiz for each book they have read and collect points along the way. At the end of each marking period, every student who has achieved their points target gets 10 reward points added to their Arbor account. We've had lots of students who have managed this and received their points.

Special mention goes to a couple of our Year 7 students this week, as not only have they achieved their target points this marking period, but they have also

been 100% correct for every single book quiz they took and have received a special 100% badge - well done to Faith M. and Vanessa N.

Win Books For Library

You have an opportunity to increase our book selection in The Compass by nominating Bosworth Academy's library into a competition to win £1,000 worth of books.

National Book Tokens are offering five schools the chance to start rebuilding their libraries by inviting teachers, parents, carers and communities to nominate their school for a big prize draw. Each winning school will receive £1,000 in National Book Tokens and a year's free membership to the School Library Association – PLUS one overall winner will also get £500 to help them create a fun and welcoming library space for all.

Nominate Bosworth Academy using this [form](#), and if yours is one of the five winning entries, you'll also win a £100 National Book Token to spend in your favourite bookshop!

Winners will be drawn at random after Monday 31st July and announced in September 2023. Full details can be found [here](#).

[Back to Contents](#)

Book Recommendations

This month has [Empathy Day](#) and our book recommendations this week feature themed reads. We have a great selection of books across all genres and age groups in the Compass Library. Remember—book clubs for Years 7-9 are held every Friday at break time in the Compass.

A young boy forms a close relationship with a whale while his mum is in hospital, but when it suddenly goes missing he sets off on a quest to find it.

What if you could communicate with a whale?

Rio has been sent to live with a grandmother he barely knows in California, while his mum is in hospital

back home. Alone and adrift, the only thing that makes him smile is joining his new friend Marina on her dad's whale watching trips. That is until an incredible encounter with White Beak, a gentle giant of the sea changes everything. But when White Beak goes missing, Rio must set out on a desperate quest to find his whale and somehow save his mum.

Dive into this incredible story about the connection between a boy and a whale and the bond that sets them both free.

Follows the events and perspectives of three Year 11 friends when one of them has a baby and goes on the run with it to escape the control of her two mums.

It's GCSE results day. Frankie's best friend, Jojo, is missing. And a baby has been stolen. But there are three sides to this story...

Frankie, Jojo and Ram's lives are about

to change forever as their friendships are put to the test by the unpredictability of life. They're each determined to find out the truth, but at what cost?
