Weekly Newsletter for Parents & Students

Welcome

Summer has finally arrived, in September! Overall, students (and staff) have coped well with the high temperatures this week. As you can imagine, focusing and learning in a warm environment can be challenging, though it is something we have all had to contend with this week. Students have enjoyed their time on the school field and new courts during break and lunch, though we have reinforced that they must leave quickly when

they hear the whistle to arrive at lessons on time. This week we have allowed students to remove blazers and sweaters and our newly installed water fountains have been well-received. Next week looks like more of a return to normality for the September weather. I wrote to parents earlier in the week to share that we **do not have any confirmed RAAC** in our buildings and have not been asked to close any areas. However, we want to take care and to be sure, as the last checks were back in 2018. Following updated guidance from the DFE, over the next few days, surveyors are carrying out extensive checks across all of our LiFE Multi-Academy Schools. A copy of

the letter can be found [here](#).

Next week we will be recognising the amazing success of many of our students for their achievements in public examinations in our **Excellence Evening**. Teachers and support staff are nominating students for exceptional attainment and for strong progress. There will also be some special awards presented during the evening on Thursday 14th September. Parents and carers of students nominated need to respond quickly to the special invites which have already been issued. We have a fast turnaround for accepting seats for the evening as we have to hold the event before many students leave for University.

Our **Open Evening** is about four weeks away and we will be looking for student volunteers to be ambassadors for this event - and display active **citizenship**. Though Year 7 children are new to the school we are very happy for them to be volunteers as well as all other years. Students will support teachers in various curriculum areas as well

as acting as guides for visitors. Please ask your child to let their tutor or Head of Year know if they would like to be involved.

Helping others and demonstrating great citizenship is always something we strive for at Bosworth. I'll be trying to model this on Sunday by

running in the Great North Run Half-Marathon for Teenage Cancer Trust UK this coming Sunday. Students have said they'll be looking out for me on the BBC coverage so I'll be sure to give a wave and do my best to beat Mo Farah before he retires!

Whatever you are doing this weekend I hope you can enjoy the last of the summer sun.

Open Evening

Come and visit us to see what our school, our culture, and our value systems are all about. Our theme this year is 'The future we want'. Students leave Bosworth Academy confident that they can be future leaders, ready to adapt to an ever-changing world and transition into job sectors that don't even exist yet!

If your child is looking to start with us in Year 7 in the next two years, come and visit us on Thursday 5 October 2023 and see how we inspire children to be better than they ever thought they could be and help them believe they can make a difference to the world in which they live.

We also welcome

those of you who are looking to join us in Year 12 but we do have a dedicated Sixth Form evening on Thursday 26 October 2023 which you might find more useful to attend. Testimonials from Sixth Form students can be viewed [here](#).

The evening on **5 October 2023** will run from **4:30PM-7:00PM**. Feel free to tour the school during this time. We recommend spending at least one hour at the school to get the most out of your visit.

Our presentations detail our story, our vision, and our values and give an insight into student life at our school.

There are three presentation times available:

- 5:00PM
- 5:45PM
- 6:30PM

You can book your slot via <https://www.eventbrite.co.uk/e/bosworth-academy-open-evening-tickets-713621439937> or via scanning the QR code.

The **ticketed sessions** are for the **presentation only**.

All presentations are the same so please only choose tickets for one event. Due to limited capacity, we can only offer up to five seats per family.

You can view our current school prospectus by visiting our school [website](#).

Bosworth Academy is part of the LiFE Multi Academy Trust and you can learn more about the Real LiFE Curriculum [here](#).

More details about the open evening can be found at [Open Evening 5 October 2023](#).

Curriculum Journey

Here at Bosworth, we offer a rich curriculum experience that has been praised by numerous outside agencies (including Ofsted) and won a number of local and national awards.

If you go onto the curriculum tab on our school website and then click on '[curriculum information](#)' you will see our entire curriculum journey from Year 7 to Year 13. This begins with a rationale for each key stage before giving a more detailed outline at the bottom.

Please note we are continually updating this page as a curriculum should always be evolving as the world around us changes.

Bosworth Bears Design

A group of Year 10 students were proud to show off their design on the newly surfaced basketball courts this week.

Delani K, Flynn W and Joe S play basketball and decided to make a proposal to Headteacher, Mr Brown, about a design for the newly prepared basketball courts so that they looked like a professional court. Mr Brown was impressed with the creativity of the group and asked them to also create a logo for the school team. "I thought of the name, Bosworth Bears," said Joe S. "We then got together and Delani made four designs that we then decided on," added Joe. The design incorporates the main school logo with a twist of the 'Bears' clawmark. "We wanted people to know it was a basketball team so we added in the basketball," said Joe. Mr Brown met again with the leadership group of students and was so impressed with the design that it was sent to a professional design company to prepare a template for the specialist pitch installers.

Stage 1 - initial pitch to Mr Brown

Stage 2 - refined design

Stage 3 - logo for basketball shirts

Stage 4 - corporate logo to match the Bosworth logo

Stage 5 - templates designed for basketball court centre logo

Coach Igor Mirkovic has been impressed with the respect and pride the students are showing towards the new courts.

"The students know to eat their food at the gates to the court and cannot come in before they have finished their food. The student response has been great," coach Igor said. Already the news is quickly spreading around the community and wider region about this fantastic, unique facility for Bosworth Academy students.

Excellence Evening

Next Thursday sees us join together as a school and celebrate student success in our annual Excellence Evening.

Teachers have nominated students who were in Years 11, 12 and 13 last academic year for the awards.

Invitations have been sent out and we look forward to seeing you for the event which is on

**Thursday
14
September
6.00-
8.30PM.**

Maths Puzzle of the Week

Last Week's Answer: 396

The key to solving this puzzle is to realise that, in order to minimise the number of tiles, Selina must use as many of the triangular tiles as she can. This is because the triangular tiles have a larger area (600cm^2) than the square tiles (400cm^2).

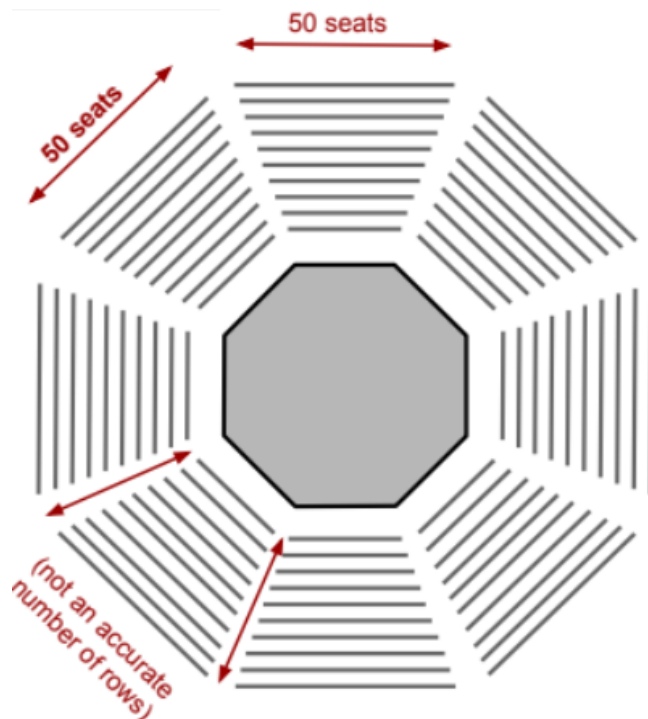

Also it's important to note that finding the total area of the walls (23.68) and dividing by the area of a tile does not work as it is not possible to completely tile with only triangular tiles.

16 Δ tile widths x 8 Δ tile lengths x 2:	256
8 Δ tile widths x 6 Δ tile lengths x 2:	96
4 square tiles:	4
10 Δ tile widths x 2 Δ tile lengths x 2:	40
Smallest number of tiles possible:	396

This Week's Puzzle: How Many Rows?

An outside theatre is in the shape of a regular octagon with the stage in the centre.

The seats are banked up on all 8 sides with 50 seats on the top row of each side. Each row having 3 fewer seats in it than the row above. There are 3216 seats in the theatre.

How many rows are there?
(don't count each row 8 times!)

Years of Service

This term seems significant milestones for certain members of staff who have worked for Bosworth Academy and the LiFE Multi Academy Trust. On Monday five members of staff were presented with the awards in Staff Briefing by Mr Brown. We thank the following for their years of service and dedication:

- Nikki Symons - 20 years
- Beth Ladkin - 15 years
- Kat Smoczynski - 10 years
- Igor Mirkovic - 10 years
- Caroline Tallis - 5 years

Parent Governor Election

We have a vacancy for Parent Governor and invite you to stand for election or nominate another parent to do so.

The purpose and expectation of the Local Governing Body is to:

1. Provide assurance to the Board that the quality of education, academy improvement and strategic direction of their Academy are consistent with the educational objectives of the Trust, the agreed School Improvement Plan (SIP) and the vision and ethos of the Trust;
2. Hold School Leaders to account for the quality of education and the educational performance of their school;
3. Establish a termly view of the quality of education at the Academy and of the effectiveness of the educational performance and report this to the Trust Board, drawing attention of Trustees to any concerns or emerging trends in relation to which Governors have concerns or consider they have not received a satisfactory response.

No special qualifications are needed, and the most important thing is to have a keen interest in the school and be prepared to play an active part in the Governing Body's work.

Training is available for all Governors and this Governing Body has an expectation that those new to being a Governor, attend induction training.

Full details along with the nomination form can be found [here](#). The nomination form is to be returned either electronically to

ldegia@bosworthacademy.org.uk or by post to the School address, by the 19 September 2023.

You should also include a short personal statement to support your nomination, which should be no longer than 250 words. Self-nominations will be accepted but if you are nominating another parent, please seek their prior consent. If there are more nominations than vacancies, the election will be by secret ballot. Voting papers will be sent to all parents together with details of the ballot procedure. Every parent is entitled to one vote per vacancy. If we receive the same number of nominations as vacancies then the nominees will automatically be elected as Parent Governor.

Previously Looked After Children

Schools are entitled to funding for children who were Previously Looked After (PLAC). Previously looked-after children are those who are no longer looked after by a local authority in England and Wales because they are the subject of an adoption, special guardianship or child arrangements order; or they were adopted from 'state care' outside England and Wales. 'State care' is care provided by a public authority, a religious organisation, or any other organisation whose sole or main purpose is to benefit society. If your child is in this category, we must add them to our school census data. Please can you contact Beth Ladkin bethl6@bosworthacademy.org.uk if your child has joined the school or you have not informed the school that they were Previously Looked After.

Hate Crime Awareness

It is National Hate Crime Awareness Week October 14th – 21st October 2023 and you have a chance to be part of Leicestershire Police's awareness campaign by designing a poster. The competition will

see you design an A4 poster focusing on the theme “#WeStandTogether #NoPlaceForHate #SafePlaceForAll” with students free to consider any design, wording and formatting. Please include your name (first name and initial of surname only), age and school in the bottom left-hand corner and submit your entries to tutors. Please do not use any copyrighted or trademarked images within your poster. If you choose to photograph anyone to include in your design, please ensure they provide their consent for the images to be used on any reprinted material (or if under 18 that consent from their parents is provided) – please do not include names on your poster.

The National Hate Crime Awareness Week logo and reporting information will be added to the winning posters so please do not add your own logos.

The competition will run until Monday 30th October 2023 with winners announced on Friday 3rd November 2023. The top five winning entries will each receive a prize of £20.

What Parents & Carers Need to Know about LIVE STREAMING

Live streaming involves broadcasting and watching videos online in real time, often on social media or via platforms like YouTube and Twitch. Viewers can interact through comments, chats and reactions during the broadcast: such instant engagement makes this an exciting way to share experiences, learn from others and build digital communities. Despite the many positives, live streaming also creates a potential platform for unsuitable content and poses some risks to children: it's essential to keep privacy and safety in mind and comply with each site or app's age restrictions.

WHAT ARE THE RISKS?

LACK OF AGE VERIFICATION

Despite their age restrictions, some platforms don't require proof of age at sign-up – meaning that anyone can register for an account (and potentially pretend to be older or younger than they actually are). In many cases, this means that young live streamers can never be totally certain exactly who they are broadcasting to and who is engaging with their live stream.

DISCLOSING PERSONAL INFO

A characteristic of live streaming is the ability for videos to be instantly shared worldwide. Without the correct privacy settings enabled, a child could inadvertently reveal personal information or their location, making them vulnerable to online predators or identity theft. It's wise to regularly check the privacy settings (and what data is being shared) on any apps your child has signed up for.

ANYTHING COULD HAPPEN

As the video streams are live, children might encounter (or inadvertently share) inappropriate content. Most live-streaming apps have rules to prevent this and monitor their services, also providing report buttons where content can be flagged for review. It may not be dealt with instantly, however, meaning that your child could be further exposed to harmful content during a live stream.

UNAUTHORISED RECORDINGS

Each live streaming platform stores completed videos for different periods (Twitch saves broadcasts for 60 days, for example, while Facebook and YouTube remove them only at the creator's request). Deleting a video, though, doesn't always stop it from being shared: in some cases, streams have been illegally recorded (or screenshots taken) by certain viewers and redistributed on other sites.

ROGUE CONTENT CREATORS

Children can also watch other people's live streams, which could potentially contain anything at any time (such as nudity, drug use or profanity). Most apps claim to monitor live streams and will stop any that don't adhere to their guidelines – but with millions of streams per day, it's complicated to regulate them all, so children could be exposed to inappropriate content without parents knowing.

DANGER OF GROOMING

There are increasing reports of children being coerced into performing "suggestive acts" by strangers on some live-streaming apps. Due to the lack of verification required for certain apps, almost anyone can sign up to these services (including anonymously or under a fake identity). It's vital, therefore, to ensure the correct safety measures are in place before your child begins live streaming.

Advice for Parents & Carers

PUT PRIVACY FIRST

Through the streaming app's settings, switch your child's account to 'private', so only their friends and followers can see their broadcasts. You could also turn off the live chat, shielding your child from any upsetting comments – although viewers' feedback is often seen as an integral part of the fun. Identify any nearby items (such as school uniforms or visible landmarks) that could give away your child's location.

MANAGE MULTISTREAMING

Some apps and sites let users stream their content through multiple social media platforms at once. A broadcast on SteamYard, for example, can be shared on YouTube, Twitch, X and Facebook if the accounts are linked. The privacy settings can differ on each of these, so we'd suggest only streaming via one platform at a time to maintain greater control over who's watching your child's videos.

GET INVOLVED YOURSELF

Research suggests a significant number of streams show a child on their own, often in a supposed safe space like their bedroom. If your child wants to live stream, ask if you could be present because you're interested in how it works. You could even set up your own account to gain a more detailed knowledge of what your child talks about in their live streams – and who they're broadcasting to.

TALK ABOUT LIVE STREAMING

Try to start with positives before discussing potential risks. You could ask which live streaming apps your child likes and how they use them. Do they just watch streams or create their own? Explain why it's unwise to reveal personal information while streaming (even to friends). If you feel your child's too young for live streams, explain your reasoning to them and perhaps agree to review this decision in the future.

CONSIDER THEIR ONLINE REPUTATION

As the broadcasts are live, it often causes the misconception among young people that whatever happens in their video simply 'vanishes' once the stream ends. However, videos can stay online indefinitely or be recorded by other users. It's important that your child understands what they do and say in a live stream could potentially damage their online reputation and, quite possibly, be seen by prospective future employers, colleges or universities.

The Compass

Book Recommendations

We have a great selection of books across all genres and age groups in the Compass Library.

Key Stage Three

Amihan lives on Culion Island, where some of the inhabitants - including her mother - have leprosy. Ami loves her home - with its blue seas and lush forests, Culion is all she has ever known. But the arrival of malicious government official Mr Zamora changes her world forever: islanders

untouched by sickness are forced to leave. Banished across the sea, she's desperate to return, and finds a strange and fragile hope in a colony of butterflies. Can they lead her home before it's too late?

Beautifully-crafted, evocative tale with "fact at its heart". Each short chapter provokes a wealth of emotions and keeps the reader engaged until the bitter-sweet ending.

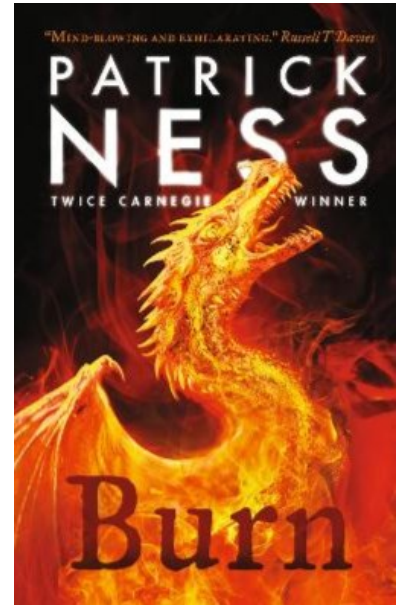

Key Stage Four

This dragon, Kazimir, has more to him than meets the eye. Sarah can't help but be curious about him, an animal who supposedly doesn't have a soul but is seemingly intent on keeping her safe from the brutal attentions of Deputy Sheriff Emmett Kelby.

Kazimir knows something she doesn't. He has arrived at the farm because of a prophecy. A prophecy that involves a deadly assassin, a cult of dragon worshippers, two FBI agents - and somehow, Sarah Dewhurst herself.

From the bestselling author of the Chaos Walking

trilogy comes a heart-stopping story of fanaticism, hope, bravery and impossible second chances, set in a world on the very brink of its own destruction. Combining Cold War paranoia, with the consequences of blind faith and the redemptive power of love - oh, and city-destroying dragons, it's a cracking read.
