Booking for Parents Evening

Dear Parents/Carers,

Please find attached the schedule for Parents' evenings for the academic year 2023-24.

The evenings provide an excellent opportunity to work with your child's teachers to review their progress to date, address any issues and discuss plans for future support.

For years 9-13, we will be using the schoolcloud system, which enables parents to meet with teachers remotely via video call. Please remember that tutors and teachers can be contacted at any time throughout the year to discuss any issues or for an update on progress.

To increase capacity this year, parents will have the opportunity to book with **either** of their child's subject teachers (where they are taught by more than one person). Both teachers will be able to report on the child's progress and parents should **select only one subject teacher when booking**.

Parents/carers of students following the Real Life curriculum in year 7 & 8 will be invited to the Real Life exhibition where they will have an opportunity to see their child's work and meet their teachers. This event will take place in late November and further details will be shared nearer the time.

Alongside parents' evenings you will receive tracking data during the year where we will report on your child's attitude to learning, behaviour and attendance.

For any issues with regards to the making online appointments, queries should be directed to:
