

26th January 2024

Weekly Newsletter for Parents & Students

## Welcome

Many of our Sixth Form students are now receiving offers from Universities all across the country. Many have been invited for interviews, which we carefully prepare students for. Head of Year 13, Miss Woolley, kindly arranges mock interviews in preparation for those who would like to take up the opportunity - one which students appreciate. It's been exciting to hear about the huge range of degree offers from so many top Universities, including the University of Oxford and Cambridge. I know our students and staff are now working incredibly hard towards achieving those entrance grades.

Maximising potential workshops are taking place soon, as well as this we have Half Term Revision Academy and a great choice of revision classes available to boost student learning. Do read on to find out about the details and encourage your young person to access these great opportunities.

Developing those wider global competencies is so important for our students. Our recently launched Year 7 Outdoor Pursuits days are one great way to build key leadership skills. Mrs Hayton, Head of

Year 7, has planned such a great offer with the possibility of raft building, archery and climbing or abseiling. It sounds so rewarding I might even try and get a place myself! Read on for more information.

We have seen in the news this week cases of measles centred around the West Midlands. The DFE have confirmed that there is a risk of further outbreaks unless action is taken to improve take-up of the MMR vaccine. Though we have not had any students ill with measles here it is important that you are mindful of symptoms and ask for an urgent GP appointment or call NHS 111 if they show symptoms, [NHS link](#). Finally, we welcome ongoing feedback from parents and carers and we will soon be sending out a Parent Voice questionnaire which we do each term. Be sure to be on the look out for the link next week.

As we focus on the year ahead, H. Jackson Brown Jr.'s thoughts that **"the best preparation for tomorrow is doing your best today,"** makes us appreciate the here and now.

I hope you have a good weekend,

Mr Brown  
Headteacher

## Revision Academy

As part of our programme of preparing students for their GCSE and A Level examinations, we are working with your son/daughter to support their progress in all subjects.

We aim to maximise all opportunities to support students in achieving their target grades and support them in securing their options for further education and career prospects.

To support students during the February half term, Bosworth Academy is offering a range of revision opportunities on **Monday 19th to Friday 23rd February**. We would appreciate it if you could encourage your son/daughter to attend these sessions and point out their importance in the lead up to the GCSE/ ALevel examinations.

There are various sessions running each day.

Payment for the session is through the SQuid app on a first come, first serve basis. Places will be in demand and the deadline for booking is **9th February**.

Each two hour session costs £3 which covers resources and exam booklets.

Sessions can be cancelled and refunded with prior notice. The money will be refunded to your child's sQuid "trips/offers" purse. You can transfer the money to your child's catering account using the app or keep it in the trips/offers purse for future Revision Academies/resources/trips. If your child is in receipt of Free School Meals the money will be refunded to the SQuid account after half term. Refer to the timetable below for sessions that are running and the rooms where they are taking place. Please make a note of the sessions you have signed up for.

Students will need to make their own transport arrangements for getting to and from the Academy. Students are also expected to bring their own lunch. Students are not required to wear uniform during revision academy.

In previous years, over 100 students have attended our revision programme and found the experience to be extremely rewarding. I hope that you agree that this is an opportunity not to be missed and a great way to kick start revision if this still hasn't begun.

**Miss Alexander, Head of Interventions**

### POST 16 SESSIONS

[Back to Contents](#)

## Maximise Your Potential

On 1st and 2nd February 2024 there will be a workshop for Year 11 students provided by an external company 'Maximise your Potential' which will support students preparing for their upcoming GCSE exams.

Students will be given great exam tips for the run up and on the day as well as being taught specific skills on how to revise. This will also be in place for Post 16 later in February.

The session will encourage students to have a clear idea of what they are aiming for, and the steps needed to take to get there. It will emphasise the importance of effective time management to help students feel in control of their learning, and minimise stress.

It also aims to instil good study practice, and encourage students to persevere, learn from failure and be resilient alongside developing essential study/revision skills such as:

- Goal setting
- Retrieval practice
- Revision techniques
- Time management
- Stress management
- Exam practice

To get the most out of the session it is crucial that students engage with the strategies suggested and come to the session ready to think, reflect and engage with the activities. 'Maximise your Potential' is a company who have presented to students at Bosworth Academy previously and their techniques have proved to be extremely effective and we look forward to their visit in early February.

**Miss Baxter, Deputy Headteacher**

## Year 8 Options Evening

On Thursday 1 February 2024 we invite students from Year 8 and their parents/carers to our Options Evening event for Key Stage Four subject options.

Our students leave Bosworth Academy confident that they can be future leaders, ready to adapt to an ever-changing world and transition into job sectors that don't even exist yet!

Our GCSE curriculum allows students to choose from a wide range of subjects that they are interested in, but most importantly provides the necessary skills to progress onto further study or training.

Whilst all of our subjects allow students to progress onto further study, some A-level subjects require the subject to have been studied at GCSE level first. Our option evening and presentation events aim to give parents and carers the information they need to support their children in choosing their GCSE options.

You can learn more by visiting our Key Stage 4 curriculum page: [www.bosworthacademy.org.uk/curriculum/key-stage-4/](http://www.bosworthacademy.org.uk/curriculum/key-stage-4/)

Additional information about the options process will be sent to you through our various school communication mediums soon. You can sign up to our presentation by visiting

[www.ticketsource.co.uk/bosworth-academy/t-gaeygmd](http://www.ticketsource.co.uk/bosworth-academy/t-gaeygmd) or by scanning the QR code.

We look forward to seeing you at the event to begin your child's journey into Key Stage Four.

**Mr Dolinski,  
Deputy  
Headteacher**

[Back to Contents](#)

## Communication Charter

Communication is at the heart of every thriving partnership. When lines of communication between home and school are open, transparent, and efficient, the impact on students' experiences is immeasurable. It creates a positive ripple effect, enhancing academic success, well-being, and overall satisfaction for students, parents and carers and for staff. As we recognise the pivotal role communication plays in your child's educational journey, we are committed to elevating our communication standards.

In the next few weeks we will be launching a new communication charter with you. This simple, but comprehensive, document will guide communication expectations between parents, students, and the school, aiming to enhance the quality and efficiency of our interactions. The charter will offer valuable insights, fostering a positive and collaborative educational community. With this initiative, we aspire to create a more supportive learning environment for all. Your partnership is vital, and we eagerly anticipate navigating this exciting path together. Thank you for your continued support.

**Mr Dolinski, Deputy Headteacher**

## 6C Celebration

Thursday morning saw us celebrate the hard work of students across the Academy who have earned the most Communication reward points over recent weeks.

Students enjoyed hot chocolate and pastries which were kindly served by teaching staff. Well done to all students and we look forward to the next 6C Celebration morning.

## Holocaust Memorial Day

Saturday 27 January is International Holocaust Memorial Day where we remember the millions of people persecuted by the Nazis in the Holocaust.

In this week's assemblies Mr Mowbray discussed the importance of remembering this horrific event and recounted how the innocent were transported across Europe in the 1930s/40s to their death in concentration camps.

Mr Mowbray also discussed how the 6C values of Citizenship and Communication are important for Holocaust Memorial Day as it allows us to exchange information and reflect on past events to ensure we make a positive contribution to the world we live in.

## Arbor Parent App

The Arbor Parent App is a useful tool that can help you keep track of your child's progress.

The app provides you access to their most recent report, behaviour and attendance tracking and also allows you to easily update us on any changes we may need to know about. Learn more about the app and how to download it on to your device at: <https://www.bosworthacademy.org.uk/arbor/>

[Back to Contents](#)

## Maths Puzzle of the Week

### Last Week's Answer: 63

Setting out your working clearly can be SO useful in solving all sorts of problems. In this instance the puzzle can be solved easily without any algebra or clever tricks by just working backwards. Below I've made a flow chart illustrating the story from the question.

Every time Karen picks 32 raspberries we subtract 32 and then when the raspberries double we multiply by two. To solve the puzzle we need to find the number of starting raspberries, so we can work in the opposite direction from the only number we know (which is zero).

To work backwards we can reverse the arrows and do the opposite of each operation. This is called the *inverse* in mathematics. The table

below shows the *inverse* of each operation.

Finally, we just need to fill in all the blanks, starting from the right, to find out the starting number of raspberries: **63**.

### This week's puzzle: How Many Students?

Vicky ran a knitting course and gave her students some wool. Each student was given three different colours of wool.

Each ball of red wool was shared between 2 students.

Each ball of wool of blue wool was shared between 3 students.

Each ball of green wool was shared between 4 students.

In total, Vicky used 26 balls of wool and there was no wool left over.

**How many students did Vicky have on her course?**

Extension: How many students would there be if she used 156 balls of wool?

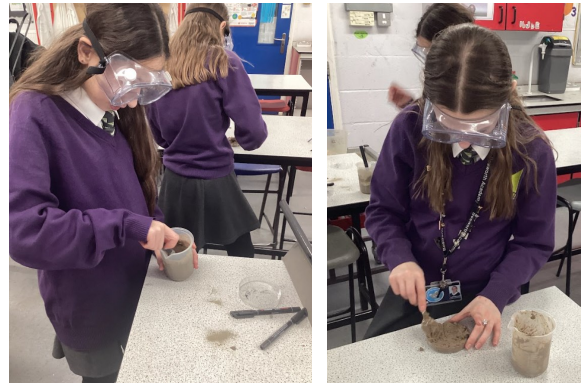

If she also shared balls of yellow wool between 6 students, what would be a good number of balls of wool for her to buy?

## Science Club Concrete

At Science Club this week Year 8 made concrete. Each student made it using a different ratio of cement, sand and aggregate. At the next session we are going to test the concrete and see which mixture is the strongest.

Year 7 Science Club Tuesday S6, 12.35, week 1.  
Year 8 Science Club Wednesday S2, 13.35, week 1.

Mrs Tapp, Teacher of Science

## Lunch & Afterschool Clubs

We now have a wide range of clubs for students to participate in during lunchtimes and after school.

For a full timetable please click [here](#).

As a reminder, transport will not be provided for after school clubs.

[Back to Contents](#)

## Year 7 Outdoor Pursuits

We are delighted to inform you that we have organised a day trip to the Leicester Outdoor Pursuits Centre for Year 7.

The trip will take place on one of three dates, **Monday 22nd April, Wednesday 24th April or Friday 26th April**, depending on which tutor group your child is in. This will be a fantastic opportunity for students to develop their 6c's outside of the classroom.

More details on Leicester Outdoor Pursuits Centre can be seen in this [video](#).

The trip will involve three activities: raft building, archery and climbing or abseiling; however, activities may be subject to change. The cost of the trip is £40.00 including transport. Students will depart from school around 9:00 am on the day of the trip, returning for 3.10 pm in time for school buses.

Due to the nature of the activities students will be taking part in, appropriate clothing will need to be worn on the day and also a change of clothes will be required. A kit list will be provided at a later date to those students attending the trip. A packed lunch will also be required on the day.

If your child would like to take up this opportunity please pay the £20 deposit via sQuid no later than Friday 9th February and complete the Google Form via this link <https://forms.gle/Pz6er4Tdb7nYzeVF6>. The remaining balance of £20 is due by Monday 8th April and we will contact you before this with a reminder.

If your child is in receipt of free school meals there is a reduced rate offer which will show on your child's squid account.

If you have any queries please do not hesitate to contact us.

**Mrs Hayton, Head of Year 7**

## This Girl Can

Last week Year 7 girls tried out some sports activities at the annual 'This Girl Can' event. The girls got involved in some yoga, circuits, dance, martial arts and, a particular hit, the smoothie bike! **Mrs Hayton**

## KS4 Badminton Win

Our KS4 boys won the Hinckley and Bosworth badminton tournament and will now progress to the next round of the competition to face schools from other areas of Leicestershire.

The girls team did really well in their first competition and finished strongly winning their last match.

Mr Grest was on hand to do his best John Terry impression - stepping in for the final game and claiming the trophy!

**Miss Hall, Teacher of PE**

[Back to Contents](#)

## Leicester Citizens

On Wednesday seven of our students attended the Leicester Citizens Delegates Assembly at Ivanhoe School in Ashby. As well as schools from the LIFE MAT there were a number of other community organisations from the Leicester and the Leicestershire area.

# **citizens<sup>uk</sup>**

The students listened to a variety of talks on topics ranging from counselling in school to racial justice. After each talk the students got to chat to students from the other schools and organisations.

The students came away from the event with some great ideas that can be put into place to improve student well being at Bosworth.

The students that took part in the assembly were Josh E (Year 13), Jasmine R (Year 12), Janet M (Year 11), Hermione S (Year 10), Elliott J, Trinity K (Year 8) and Makhal S (Year 7). All of the students are part of our well being group who meet regularly to explore how we might improve student well being. If any student would like to join the wellbeing group please come and speak to me.

**Mr Moore, Assistant Headteacher**

## Leicester Police Open Day

Leicestershire Police are opening their doors at Enderby headquarters to the public for a careers open day on Saturday 2nd March 2024.

The event will run between 10am – 1pm where you will be

able to speak to officers and staff about both uniformed and staff roles on offer.

This is an ideal opportunity for you to learn more

about police officer, detective, staff and CSI roles within the organisation and an amazing opportunity for you to ask any questions you may have.

They are offering three, 1 hour slots on the day. If you would like to attend then you will need to go to the Events Page on their website and register for the event or click [here](#). Spaces are limited so this will be done on a first come first served basis.

## Apprenticeship Virtual Event

Babcock will be hosting a virtual apprentice event on the 8th of February at 17:30 to 19:00 PM.

Babcock International Group would like to invite you to our Apprentice Early Careers Session on the 8th February 17:30 to 19:00 PM.

You will hear from our Early Careers Managers and Apprentices across the Group and learn more about the opportunities available to you across the UK.

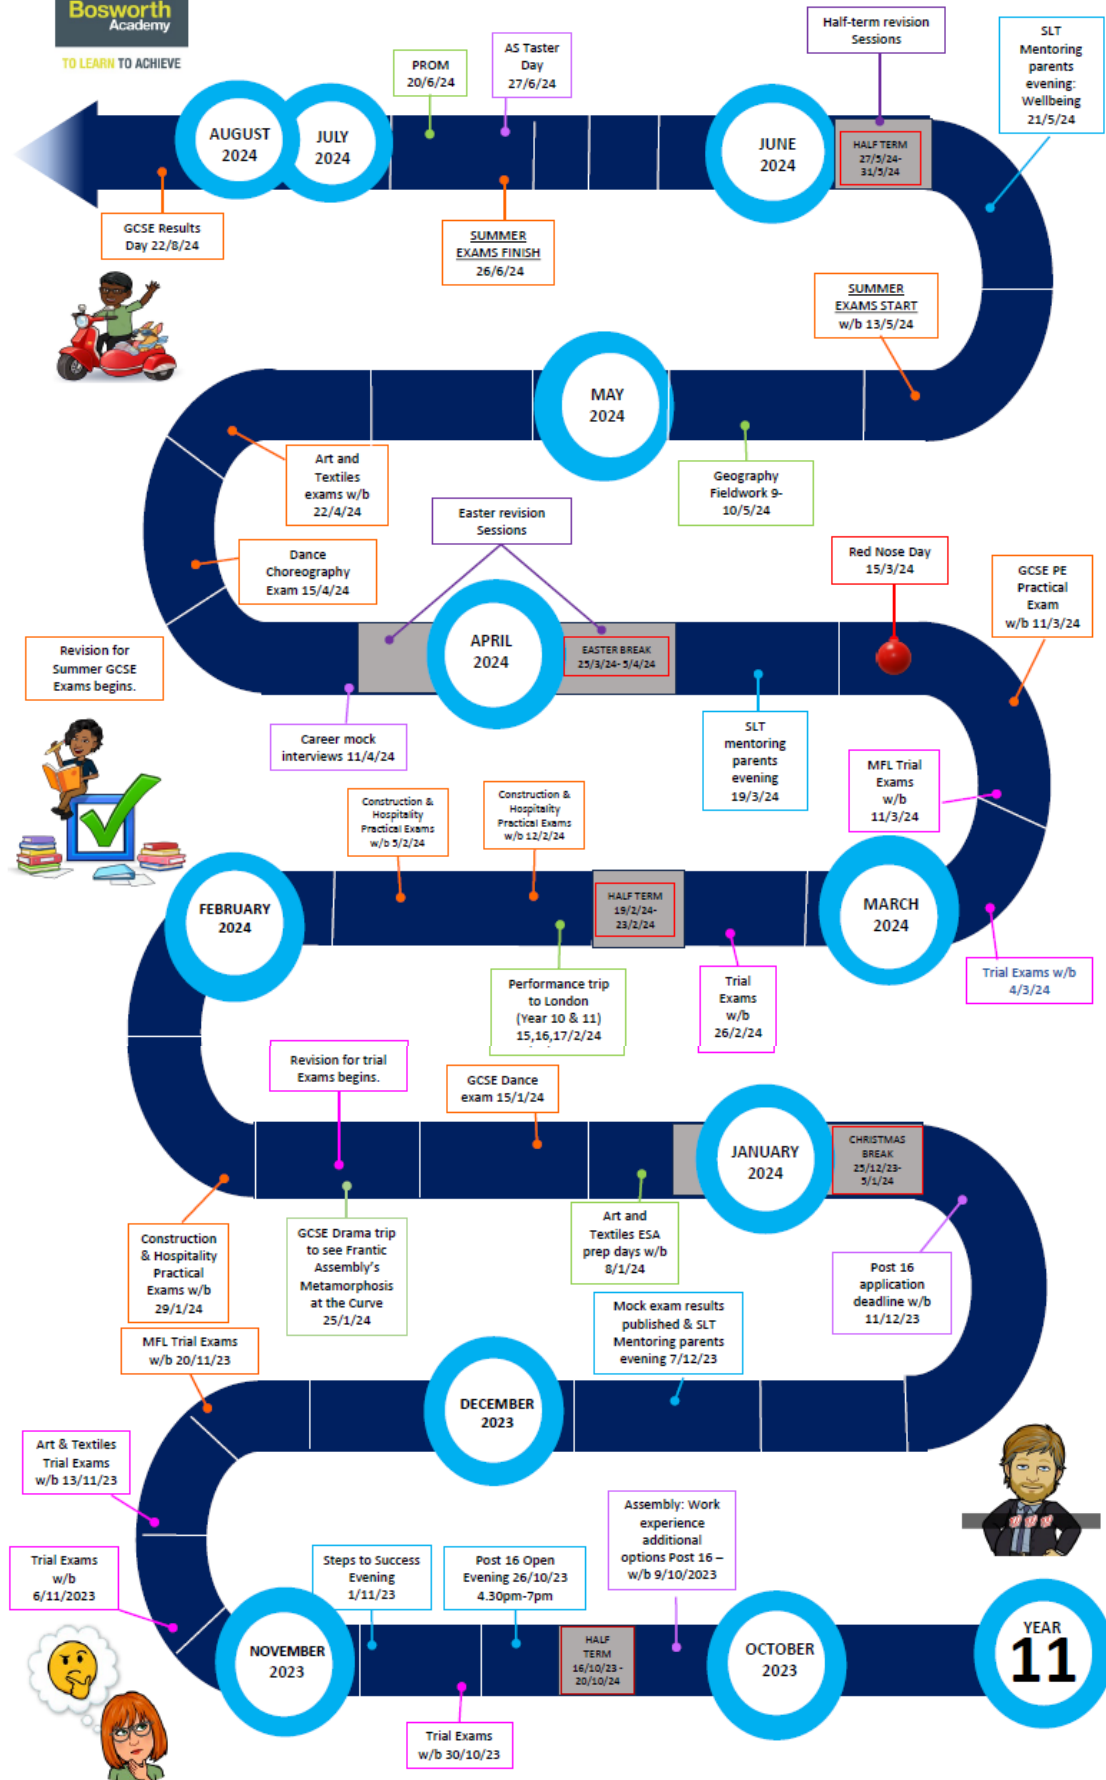

Please register for this event using the link below:

[Virtual Apprentice Careers Event · Babcock Early Careers \(babcockinternational.com\)](https://babcockinternational.com/virtual-apprentice-careers-event)

# What Parents & Carers Need to Know about MYLOL

AGE RESTRICTION  
13-19

## WHAT ARE THE RISKS?

MyLOL is a free social networking and dating site aimed at teens. Profiles can publicly display users' images and information, including sexual orientation and personal interests. The service bills itself as "the number one teen dating website in the world", claiming to have more than a million users globally. Despite its popularity, the MyLOL app is no longer available from Google Play or the App Store, although the site is still active. In some countries, police forces and schools have previously warned parents about "sinister predators" and "inappropriate activities" on the site.

## FLIMSY AGE GATES

Although MyLOL states it is exclusively aimed at users aged between 13 and 19, there is no credible age verification system to prevent a younger child – or an older adult – from signing up to the platform. Coupled with the fact that it's impossible to establish a user's true identity on MyLOL, this raises a serious concern that the site could be used for grooming.

## AGE-INAPPROPRIATE CONTENT

MyLOL maintains that it monitors all uploaded images for nudity or sexual content. It also claims to be able to detect suspicious keywords. However, there have been numerous reports of explicit content being found on the platform, with users often posting provocative, semi-nude pictures of themselves and engaging in flirty or sexually explicit conversation.

## POTENTIAL CYBER-BULLYING

MyLOL lets users 'vote' on other people based solely on their appearance, much in the same vein as the now-defunct site Hot or Not. This feature could easily lead to distress and bullying, especially if a young person's profile pics receive an unfavourable response. Various reviews of MyLOL have noted that bullying frequently becomes an issue in the platform's chat groups and private messages.

## IN-APP SPENDING

MyLOL is free to join and use, but it also offers paid-for memberships. Users who have paid money get their profile promoted at the top of the site and in search results. They can also earn additional credits for increased engagement with the platform – such as sharing, replying to messages and voting. At the time of writing, the monthly membership fee was \$9.95 (just under £8).

## DATA COLLECTION

According to its privacy policy, MyLOL collects user data including email addresses, contact details and interests. While the company says it is committed to protecting users' privacy, the small print states that information may be shared externally. MyLOL claims to follow procedures to keep data secure, but does not specify what these procedures are, or whether such information is encrypted.

## CONTACT FROM STRANGERS

MyLOL makes it easy to connect with strangers. In fact, the site's rewards feature encourages users to send private messages to people they don't know. There have been several media stories of adults posing as teens on MyLOL to connect with minors, which could lead to extremely dangerous situations, such as a young person meeting up with someone who has been posing under a false identity.

## Advice for Parents & Carers

### DISCUSS ONLINE DATING

It's vital to talk to your child about the possible dangers of platforms like MyLOL – particularly the threat of online predators. Remind them of the risks of sharing intimate images and information with strangers and emphasise that most people don't realise they're being 'catfished' until it's too late – it really isn't wise for a young person to meet up with someone they've only spoken to online.

### EXPLAIN PRIVACY RISKS

Before your child begins using a service such as MyLOL, it's important that they understand the potential pitfalls of giving out their personal data on this type of platform. Explain to them, for example, that they shouldn't divulge any personally identifying information to people who they don't know, as scammers can be quite convincing when attempting to steal someone's identity.

### RESTRICT IN-APP SPENDING

If your child has access to a bank card or other payment method, they may be enticed into signing up for MyLOL's premium features. Having their profile boosted and receiving more attention could be especially tempting if their friends also use the site. You could consider altering their device's settings to disable internet purchases, or at the very least keeping an eye on their online spending.

### SET UP LOCATION ALERTS

If you're worried that your child may be planning to meet up with someone they've met on MyLOL, you could consider utilising GPS or WiFi location tracking technology to follow their whereabouts in real time. You can even set up a virtual boundary or 'fence' and opt to receive an alert to your phone if your child enters or exits a specified area.

# The Compass

## Reading Rampage 2024

This week saw the launch of the Reading Rampage 2024, reading challenge for our Year 7 and Year 8 students, in our school library.

Reading Rampage is our local reading challenge, taking place between now and the end of May - this year there are 22 schools from Leicester, Leicestershire and Derby taking part. We are going to be judging the 10 selected books and deciding which one is our favourite. There will be lots of competitions that students can take part in - these will take place in the Library every Tuesday during Year 7 & Year 8 break. We are going to take part in virtual author events in March & May.

Awards/celebration event for the Reading Rampage 2024 will be in June and one student from each school will be nominated to receive a special prize and commendation.  
**Mrs Griffiths,**  
Librarian

**READ IT. RATE IT.**

**PASS IT ON.**

## Book Recommendations

### Key Stage Three

The Mother of the Seas is sick of humans using the oceans as a junkyard, so she decides to give the land dwellers a taste of their own medicine. Prepare for an unbelievable underwater menace that threatens to destroy the entire world!

A daft and enjoyable superhero graphic with good illustrations and entertaining dialogue.

### Key Stage Four

Seventeen-year-old Rosalyn Quest was raised by a legendary family of thieves with one rule: trust no one. Trapped in a glamorous world of riches and double-crosses, she is about to escape the family business when her mother is kidnapped. Her only chance to save her is to win the Thieves' Gambit - a deadly competition for the world's up-and-coming thieves, where the victor is granted one wish. To win, she must outwit all of her backstabbing competitors, including her childhood archnemesis. But can she take victory from the handsome, charming boy who makes a play for her heart and might be hiding the most dangerous secret of all?

A thrilling escapade into the high-stakes world of master thieves. It's got everything - romance, danger, action, exotic locations and rivalry. Great fun.

[Back to Contents](#)

## School Catering Price Rise

You will be aware that food prices have risen sharply in recent years which has put pressures on both caterers and families.

At Bosworth Academy we have always aimed to keep the service at the lower end of reasonable costs, but unfortunately we now have to raise the cost of the hot or cold

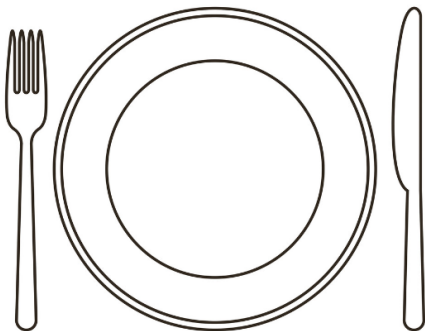

school meal deal to £3, still representing good value for money. The price rise will be introduced following the half term break on Monday 26th February 2024.

As part of the deal students can have a hot main meal and a drink OR a main meal and a pudding. Please encourage your child to bring a water bottle for school and opt to have a main meal and a pudding instead of a drink as this is far better value for your money and more filling for your child. Students may also choose the cold canteen meal deal consisting of a sandwich, baguette, pasta pot or wrap with crisps or popcorn and a drink (carton or water).

Alongside the rise in cost of the meal deal there will be small rises in the cost of other items on offer.

We appreciate that a lot of families are experiencing increased pressure with the cost of living at the moment and we would like you to remember that if you do not already receive free school meals, you may be eligible. Follow this [link](#) to see if you are eligible and then send your completed form to the address shown at the end. For families who are struggling we also now have a school pantry with help from MCKS Charity. The service is open to anyone, supporting the Bosworth Academy community, offering pantry essentials and toiletries. Please email [pupilpremium@bosworthacademy.org.uk](mailto:pupilpremium@bosworthacademy.org.uk) if you would like to access the service and we can arrange a suitable time for you or your child to visit.

Mrs Holdback, Assistant Headteacher

## Dates For Your Diary

| DATES                          | EVENT  |
