

Welcome

What a fantastic week it's been at Bosworth Academy! The week began with an exceptionally smooth fire drill. Watching 1,561 students and nearly 200 staff members gathered in complete silence, whilst safety checks were conducted, was a remarkable sight. The calm and orderly behaviour of our students is a true testament to their sense of responsibility. It's not every day you see nearly half the population of Desford standing together as one, a scene that would have impressed anyone passing by.

We hosted our 'Steps to Success' event for Year 11 students and their families, where we shared expert advice on preparing for GCSEs and Post 16 education. At Bosworth, we often remind our students that qualifications are like keys. But these keys aren't just handed out – they are earned through hard work, dedication, and teamwork. Every lesson, revision session, and exam preparation is a step towards collecting those keys. And with every key earned, new doors of opportunity swing open. This journey is supported by a special partnership between our students and staff, who work tirelessly to help unlock each student's potential.

This partnership is something I've seen first-hand while visiting lessons this week. I've been especially impressed with the wonderful relationships forming between our new Year 7 students and their teachers, laying the foundation for success in the years ahead. Equally inspiring are our Post 16 students, whose strong bonds with staff, formed over seven years of learning at Bosworth, are now helping them unlock doors to exciting futures beyond our academy. And whilst

life at Bosworth inevitably comes to an end for our students, we understand the importance of preparing them for what lies beyond. That's why we are committed to providing the best careers and guidance education possible, ensuring they know the pathways that await them.

Our commitment to career guidance was exemplified through our Provider Access Talks, featuring insightful presentations from Caterpillar, Sheffield Hallam University, and experts on Degree Apprenticeships. These talks offered students across all key stages valuable perspectives on life after Bosworth, broadening their horizons and inspiring future career paths.

We hope you enjoy this week's newsletter, filled with stories of students embarking on their own journeys to success. From the vivid, image-provoking poetry of our young writers to the inspiring accomplishments of Bosworth Alumni William Hollier, who has been using his hard-earned keys to unlock exciting opportunities abroad, our community shines bright. Join us in celebrating the dedication, teamwork, and talent that make Bosworth Academy an exceptional place to learn and grow.

Mr Dolinski
Deputy Headteacher

Year 11 History in York

We brought history to life this week as our Year 11 History students visited York on Thursday. The historic city offered the students the opportunity to experience a Cold War nuclear bunker whilst they enjoyed a beautiful view of the urban landscape by climbing the 900 year old Clifford's Tower. Students also learned about and experienced the York Dungeons, where students were selected to take part in spooky re-enactments of the terrors of York's past. Students showed great maturity and listened intently to the tour guides who vividly shared stories about York's past. Students also had time to explore the city, with some being inspired by the awesome sight of York Minster and others choosing the culture experience of visiting the local Primark. The students now return to the classroom with shared experiences that developed their 6C values of Character, Citizenship and Critical Thinking that they will apply to their studies.

Mr Worn, Head of Key Stage Four

Provider Access Talks

Throughout this week we have welcomed visitors from a range of Post 16 and Post 18 providers who have discussed the options available to our students after they have completed their studies.

Monday and Tuesday saw representatives from Caterpillar discuss career opportunities with our Year 7 and 8 students.

On Wednesday and Thursday representatives from Sheffield Hallam discussed the benefits of going to university with our Year 11 students whilst Year 12 and 13 students learnt more about degree apprenticeships.

The week was completed when representatives from Leicester College and SMB College shared with Years 9 and 10 students the options available in Further Education.

We thank all of our visitors who gave insightful talks to our students which will further inform their decisions.

Mrs Morar, Careers Coordinator

Road Safety

Bosworth Academy is situated on a busy B road and to ensure safe navigation we ask students to be careful when crossing the road before and after school.

There are safe crossing points for pedestrians to use in Desford to get from one side of the road to another whilst students should look both left and right to see if it is safe to cross. We appreciate your support in this to have a safe and peaceful environment near the school and the wider community.

KS3 Open Evening

Come and visit us to see what our school, our culture, and our value systems are all about. Our theme this year is 'Unlocking Potential: Where Students Thrive and Futures Shine'.

Students leave Bosworth Academy confident that they can be future leaders, ready to adapt to an ever-changing world and transition into job sectors that don't even exist yet!

If your child is looking to start with us in Year 7 in the next two years, come and visit us on **Thursday 3 October 2024** and see how we inspire children to be better than they ever thought they could be and help them believe they can make a difference to the world in which they live.

The evening on **3 October 2024** will run from **4:30PM-7:00PM**. Feel free to tour the school during this time. We recommend spending at least one hour at the school to get the most out of your visit.

Our presentations detail our story, our vision, and our values and give an insight into student life at our school.

There are three identical presentations at the following times:

5:00PM (SOLD OUT)

5:45PM (SOLD OUT)

6:30PM (Limited tickets available)

If you have booked a ticket for the 6:30PM presentation we recommend that you tour the school beforehand to experience the whole Academy before the event finishes.

You can book your time slot [here](#) or by scanning the QR code.

You can view our current school prospectus by visiting our school [website](#). We look forward to welcoming you.

Post 16 Open Evening

Prepare for the future by exploring the Post 16 options available at Bosworth Academy by visiting us on **Wednesday 30 October 2024**

4:30-7PM and see how we inspire our students to be better than they ever thought they could be by helping them believe they can make a difference to the world in which they live in.

Our students continue to outperform with A Level exam results being consistently above national and regional averages with A*-E grades at 99.2% and 32% of Year 13 students achieving A*/A (2022/2023) however we believe that developing character and values is as important as exam results.

Post 16 students are able to think critically in a newly designed dedicated study area and they develop their learning in a full range of facilities including the world-class full sized football 3G pitch, design workshops and IT suites to name just a few.

During the open evening we will be showcasing each department with curriculum specialists bringing subjects to life whilst current Post 16 students will give valuable insights with testimonials.

The open evening is available to anyone who is considering their options for Post 16 study. Feel free to tour the Academy during your visit where we recommend you spend an hour at the school to get the most out of your visit.

We will be running **two identical presentations** during the open evening at **5PM and 6PM** where we will share our vision and your path to success. Choose your presentation time slot [here](#) or by scanning the QR code.

You can preview the great choices we have on offer by exploring our [website](#). More details on the open evening can be found [here](#). We look forward to seeing you!

Marvellous Medicine Winner

We are delighted to announce that the winner of the Roald Dahl inspired 'Marvellous Medicine' poetry competition is David U in 7HBA.

Congratulations and well done on your amazing work David! We love the magical and mystical feel to your poem as well as the wonderful images that you have created. Here is David's atmospheric poem for you to read and enjoy.

Whimsy's Brew by David U 7HBA

In a cauldron bright with the moon's soft glow,
 Add firefly light from the fields below,
 A phoenix feather, pure and light,
 And petals plucked in the heart of night.

Stir in laughter from the winds of May,
 With a dreamer's sigh at the break of day.
 Mix with a wisp of a cloud's soft gleam,
 Then sip and dance in a walking dream.

Let your spirit rise,
 Your thoughts take flight,
 And drift through stars until daylight.

Rewards Update

Last week we shared with you how students can earn reward points with the awards available to them once achieving these points. Students can trade in their points for prizes at the Bosworth Bazaar. We can now reveal that the Bosworth Bazaar is available to Post 16 students as well - take a look at the table below to see what the Bosworth Bazaar has to offer!

Bosworth Rewards

Reward Points Get reward points for demonstrating the following: Character Collaboration Citizenship Critical Thinking Communication Creativity	Reward Trips and Events Students with high attendance, top reward points and limited behaviour incidents could be invited to be involved in rewards trips and/or events. These are decided by the Student Council and take place in December, March/April and July.	Bosworth Bazaar Spend your reward points at the Bosworth Bazaar. Order by scanning the QR code with your iPad.

Be on the lookout for more prizes for earning the most reward points. Reward trips this academic year include:

- December Ice Skating trip - High attendance, low behaviour points (during communicated dates during second half term)
- Easter trip TBC- Reward points criteria (different for each year group depending on average points at the time)
- End of year (end of June/early July). **Year 7:** Inflatables in school, **Year 8:** Drayton Manor, **Year 9:** Inflatables in school, **Year 10:** Alton Towers and **Year 12:** Student council to decide.

Alumni Profile

In this week's Alumni profile we catch up with former student, **William Hollier**, who completed his A Levels at Bosworth Academy in 2021.

"In the last three years since leaving Bosworth Academy, I have been studying Engineering at Durham University," says William.

"University has been the most rewarding thing I have done so far in my life and I would recommend it to anybody who enjoys learning, wants to challenge themselves, and have a lot of fun!

"Bosworth Academy prepared me for this experience by helping to develop my independent learning skills, time management, and exposing me to various subject areas. This helped me pick a degree well suited to my interests, which I thoroughly enjoyed.

"I am now moving to America to pursue a Master's degree in Structural Engineering and am looking to develop my career through internship opportunities before I become a Graduate Engineer.

"My advice to current students is to make sure they are taking all of the required prerequisite subjects for university courses they may want to take. For example, I changed subjects in October when I first started as, for all engineering degrees at top universities, you have to have an A Level in Maths. If you want to improve your grades I would recommend using Seneca Learning to revise material then make sure to complete all the past papers that you have access to. Practice makes perfect," said William.

We wish William all the best in his future successes in America.

Careers Bulletin

You can now stay up-to-date on Careers news with our new Careers Bulletin. From apprenticeships to careers talks, advice and Post 18 options, you can get the latest on Careers by clicking [here](#).
Careers Team

Maths Puzzle of the Week

Last week's puzzle:

The length of a rectangle is increased by 40% and the width is decreased by 30%.

Find the percentage change in area.

$$1.4 \times 0.7 = 0.98$$

Therefore the area has decreased by **2%**.

The area of an enlarged circle is twice the area of the original circle.

By what percentage has the length of the radius of the original circle been increased?

If the area scale factor is 2 then the scale factor is

$$\sqrt{2} \approx 1.414$$

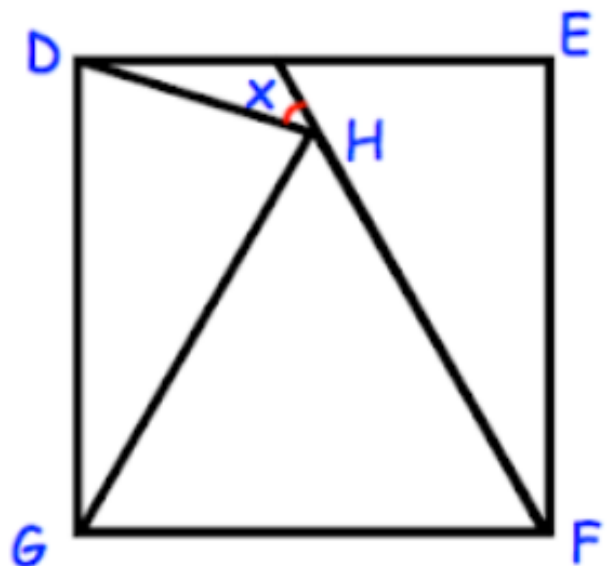

So the percentage increase in radius = **41.4%**

This week's puzzle:

DEFG is a square.

FGH is an equilateral triangle.

Find x .

Extra Curricular Activities

We now have a wide range of clubs for students to participate in during lunchtimes and after school. For a full timetable please click [here](#).

As a reminder, transport will not be provided for after school clubs.

Mrs Coulson, Associate Senior Leader

FSM Support

Students who receive Free School Meals can be supported in a number of ways, which may include:

- a contribution towards the cost of uniforms
- equipment including a stocked pencil case and a calculator
- revision guides and additional in-school academic support
- a contribution towards the cost of trips
- mentoring by staff or Post 16 Students

If you believe that your children may qualify for this support based on your income, you can apply by following these links:

Leicester City: [https://](https://freeschoolmeals.leicester.gov.uk/)

freeschoolmeals.leicester.gov.uk/

Leicestershire (County): [https://](https://www.leicestershire.gov.uk/education-and-children/social-care-and-supporting-families/free-school-meals)

www.leicestershire.gov.uk/education-and-children/social-care-and-supporting-families/free-school-meals

[/june/sign-up-now-for-holiday-scheme-for-children-on-free-school-meals/](https://www.leicestershire.gov.uk/education-and-children/social-care-and-supporting-families/free-school-meals)

Pantry: We also have a supply of food in our pantry.

Please see details below and email

pupilpremium@bosworthacademy.org.uk if you would like further details.

Miss Manning, Associate Senior Leader

Proudly supported by **MCKS Charitable Foundation UK**

Bosworth Academy School Pantry

We have a great resource at Bosworth Academy to support families in our community. If you ever find your family struggling to get basic cupboard and hygiene products you can access them through our school pantry.

If you would like to arrange a time to collect some items, please do not hesitate to email the link at the bottom of the page.

Items that you may find in the school pantry:

Pasta	Tinned fruit and vegetables	Shampoo & Conditioner
Rice	Soup	Shower gel
Jarred sauces	Sugar, tea and coffee	Sweet treats
Cereals	Tooth brushes	Sanitary products
Crisps	Toothpaste	

pupilpremium@bosworthacademy.org.uk

Steps to Success

On Tuesday, we held our 'Steps to Success' evening for Year 11 parents, thank you to all who attended.

The Main Hall was packed out and parents and students moved to top tip sessions on English, Maths, Science and Wellbeing following some advice on Year 11 and revision. There was also careers guidance on offer.

The presentation slides can be viewed by clicking on the following links:

[Year 11 Steps to Success 2024/25](#)

[Trial Exams](#)

[Science](#)

[English](#)

[Post 16 Options](#)

Throughout Year 11, as with all years, we are here to support so please get in touch if you require any help.

Mr Worn, Head of Key Stage Four

AOT Young Person's Forum

Leicestershire County Council are continuing the Autism

AUTISM OUTREACH TEAM

Outreach Team's Young People's Forum for 2024-25.

The young people involved in last year's AOT forum produced some top tips for Autism Awareness Week and an infographic around transition.

Their hard work and ideas were recognised nationally and have been shared by national networks such as the Autism Education Trust and the National Autistic Society. They also have designed a logo for the Forum which the county council hope to reveal very soon.

If you are interested in having your child take part please contact me or a member of the SEND team.

Mrs Croucher, SENDCo

What Parents & Educators Need to Know about FINAL FANTASY XIV

AGE RESTRICTION
PEGI
16

WHAT ARE THE RISKS?

The video game Final Fantasy XIV launched in 2010, and, despite being critically panned, it saw an overhaul that has made it one of the biggest success stories in gaming. Its huge world, epic story and versatile combat system have continued to draw in new players, but there's a lot that trusted adults need to be aware of – not least the cost of paying monthly to play.

ALWAYS ONLINE

Final Fantasy XIV is an MMORPG, which stands for Massively Multiplayer Online Role-Playing Game. Much like World of Warcraft, players create a character in a chosen class and level up by completing quests to gain power and items. The game requires a constant internet connection, whether you're playing on PC, Mac, PlayStation or Xbox, and there's no option to play offline.

REGULAR EXPANSIONS

As with similar titles in the genre, players can purchase expansions to unlock additional content for the game. Those without the expansions will be locked out of certain new quests and activities, meaning that young people who play regularly will potentially have the next release earmarked on their calendar, ready to buy it as soon as possible.

IN-GAME PURCHASES & SUBSCRIPTION FEE

Users need to pay £8.99 per month to play Final Fantasy XIV, but there is a free trial. If someone stops paying, they'll lose access to their character (although they'll be able to pick up the payments again and resume where they left off). If a player forgets to cancel their payments, however, those subscription fees will continue rolling on automatically.

FREE TRIAL

VOICE & TEXT CHAT

Final Fantasy XIV lets players send chat messages in-game or speak to each other over voice chat. On the one hand, that provides plenty of choice for how those enjoying the game can interact with their fellow fans. On the other hand, however, it's easier than in many games to receive unprompted messages from a stranger, with whom you constantly share your play space.

VIOLENCE

While Final Fantasy XIV has a fairly light tone throughout some of its quests, many involve killing enemies and sometimes even wild animals. The violence isn't especially strong – more comparable to a cartoon or anime style – but the act alone may make some children feel uncomfortable, if they're not yet able to separate fictional harm from the real kind.

POTENTIAL FOR ADDICTION

As with World of Warcraft, there's an element of addiction to Final Fantasy XIV. The gameplay loop can be quite engrossing, as minutes turn into hours and hours into days while playing alone or with friends. This can potentially lead to missing real-life events, a lack of interest in any activities not related to the game and procrastination around responsibilities like schoolwork.

Advice for Parents & Educators

MANAGE PLAYTIME

Playtime limits are a great way to counter the addictive qualities of games like Final Fantasy XIV. They allow you discuss why it's still important to enjoy things outside of gaming while still letting a child enjoy playing online with their friends when it makes sense to do so. It's all well and good to have fun with a game, so long as they're able to step away and reconnect with the real world.

PLAY TOGETHER

The free trial makes it extremely easy to jump into Final Fantasy XIV and play alongside a child, provided they're old enough. Not only does that help you ensure that settings are adjusted for their privacy and safety, but it may also end up becoming a bonding experience for you both and any other family members that want to try it out.

MAKE USE OF THE FREE TRIAL

The Final Fantasy XIV free trial is a generous one, with no limits on how long someone can play until their character hits level 70. That's easily dozens of hours for a child to go through the game, complete quests, and see if they enjoy it before purchasing expansions or subscribing to a membership. They may well move on to something else before you need to spend so much as a penny.

REMEMBER, IT'S A PEGI 16

Despite its often-relaxing nature, Final Fantasy XIV carries a PEGI 16 rating for violence and drugs (although the latter is due to a character smoking a pipe on occasion). There's minimal blood, but characters can attack enemies (and other players) with weapons and spells. Take a look at some gameplay videos to see if the content is appropriate for a younger player.

Meet Our Expert

Lloyd Coombes is the Editor-in-Chief of GGRecon, and has been working in the gaming and tech industry for five years. A longtime fan of online games, he's also a parent, and therefore understands the importance of online safety. Writing mainly about tech and fitness, his work has previously been published at sites including IGN, TechRadar and plenty more.

The Compass

Book Buzz

The library has been buzzing with our Bookbuzz books this week!

Bookbuzz is a programme run by BookTrust (a reading charity focused on getting children reading), which gives

students the chance to choose and keep a book they'll love from a collection of 16 titles,

selected by a panel of BookTrust reading experts. We are extremely lucky that our school buys into this programme and we are able to gift each of our Year 7 students one of the Bookbuzz books. Students have been busy this week watching the information video about the books and having a look at the sample copies available in the Library. The order for books will be placed early next week and our Year 7s will receive their gifts as soon as they arrive, towards the end of October. There will be a number of competitions connected to these books, which our students will be encouraged to take part in.

More information about the Bookbuzz programme can be found here <https://www.booktrust.org.uk/what-we-do/programmes-and-campaigns/bookbuzz/>

Mrs Griffiths, School Librarian

Accelerated Reader

All our KS3 students, Years 7 & 8, are expected to read at least 20 minutes a day, as part of their homework.

We use Accelerated Reader (AR) programme to help us monitor students' reading progress, so every time your child has finished reading a book that has an AR level, they should complete their AR book quiz. Year 8 students are used to this from last year and all Year 7 students are being introduced to this during their library lessons, either week or next one. Please encourage them to read and remind them to take the AR quiz once the book has been read.

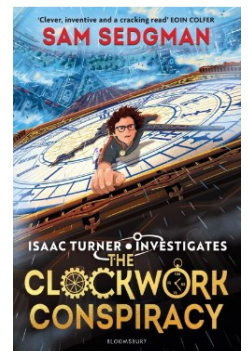

Students are expected to have a reading book, either library book or their own book from home, with them every day - this is part of their equipment. They must have their library book with them for their fortnightly library lesson.

Mrs Griffiths, School Librarian

Book Recommendations

Key Stage Three

Aspiring inventor Isaac Turner lives with his dad, the Chief Horologist in charge of Big Ben. But when his father vanishes from the belfry on the night the clocks go back, leaving behind only a smashed pocket watch and a cryptic message, Isaac determines to find him.

Hunting a trail of clues through London's landmarks, Isaac uncovers a sinister plot in the gears of government and embarks on a race against time to save his father - and time itself.

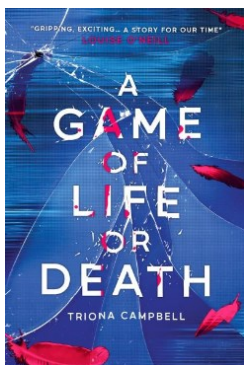

This is an exciting story with intrigue, puzzling clues and mind boggling science.

Key Stage Four

Desperate for answers, and to stay out of the hands of the social services she grew up in, Asha turns to her hacker friends for help.

Her search leads her to Zu Tech, the hit games

studio where Maya was a lead coder, and as Asha begins to unravel the riddle of her death, she realises that the only way to uncover the truth is from the inside. Asha ghosts her old life and infiltrates a Zu Tech eSport tournament as they launch 'SHACKLE', the revolutionary Virtual Reality video game Maya was working on - and which

hides a monstrous secret... You don't play the game; it plays you.

Job Opportunities

We are looking for a new **Finance Assistant** to work in our LIFE MAT Central Finance team, based at Braunstone Frith Primary Academy.

Please contact Sarah Trim via email at strim@lifemultiacademytrust.org.uk for an informal expression of interest (enclosing a copy of your CV.) We also have the following positions available at Bosworth Academy:

- **Temporary Cleaner (Sept-Dec AM position)**
AM shift: 12.5 hours per week Monday to Friday 2.5 hours each morning for 6.00am to 8.30am
- **Permanent PM Cleaner**
PM Shift: Between 15 hours per week, between 3.00pm to 8:00pm.
Post is term time plus 3.6 weeks across the 12 weeks of holidays
Paid at Grade 4 (Point 6) £22,982 FTE (£11.88 per hour). Required ASAP dependent on applicants notice period.
- **Weekend Lettings Officer**
Grade 6 pay point 9-10 FTE Salary £23,898 - £24,300 per annum. (Actual Salary £3,229.46 - £3,283.78 pro Rata). Based on 10 hrs every other Saturday) Required ASAP.
Closing Date 10th October 2024
- **Premises Officer**
Grade 8 (points 15-18) 37 hours per week for 52 weeks across the academic year on a three shift pattern. Salary: full time equivalent is £26,427 - £28,776 Required ASAP
Closing Date 8th October 2024

Please express your interest by contacting: hr@bosworthacademy.org.uk

Leicestershire Local Offer Special Educational Needs and Disabilities Roadshow

Thursday 26th September
5.00pm – 7.30pm

Leicestershire County Council, County Hall, LE3 8RF

Come along with your child / young person to have a go at activities and find out about Local SEND services and support available

The Roadshow brings together information and services which support families of children and young people with special educational needs and disabilities (SEND) all in one place. A chance to meet and chat with representatives from Leicestershire County Council and its partners.

We are **inviting children and young people** to come along to this Roadshow to have a go at some activities on offer. These include:

- ▶ Music, Sound and Sensory
- ▶ Positive Mental Health
- ▶ No Bake Food
- ▶ Cricket
- ▶ Cinema showing of 'Save me'

Please book your FREE tickets via

https://leicestershirecc-self.achieveservice.com/en/service/Local_Offer_SEND_Roadshows_2024

Free parking available

To find out more about the SEND Local Offer in Leicestershire please visit

www.leics.gov.uk/send
