NEW:Rolls-Royce, Open Evening Events.

[Derby 'Future Females' Open Evening- Limited spaces](#)

Too often, young women don't think engineering or technical roles are open to them, or have a stereotypical view of what working in our industry would be like. We really want to change that. Help us show your female students that they too can thrive at Rolls-Royce. Our Future Females Open Evening is aimed at females and their parents/carers, and will provide an amazing opportunity to come and learn about our apprenticeships, meet other women doing similar roles, and find out what working at Rolls-Royce is really like. *This event is open to students in Y10-13.*

Degree Apprenticeship Open Evening:

This year we are combining our Degree Apprenticeship Fair with our Undergraduate Open Evening which will take place on Wednesday 4th December.

We invite a range of apprenticeship providers who partner with us. There will also be talks around how to apply to a degree apprenticeship, alongside “day in the life” talks so students can

get a true insight into the nature of degree apprenticeship pathways, and potentially meet an employer.

***Applications are now open** for our hugely popular [Residential Insight into University Courses](#).

These are summer schools at various top Universities that run over 4 or 5 days where students get a taste of university life and an insight into a specific STEM subject. Students will get the opportunity to experience university style lectures and work on activities and group projects with the support of academics and student mentors. Students will stay in halls of residence and will take part in social activities in the evenings, so that they get the full university experience.

For Year 12 students / S6

Courses taking place June-Aug 25
Accreditation: Silver [Industrial Cadets Award](#)

*Applications are now open for our [YINI–Year in Industry Placement scheme](#)
An EDT placement will give students an opportunity to continue their STEM journey after leaving school or college and take a paid gap year to help inform and shape their future career choices. They will gain invaluable experience working in industry, develop their skills and knowledge, and boost their future employability. We have vacancies with companies across many areas of STEM from leading FTSE 100 companies to small innovative start-ups. EDT placements are accredited at Industrial Cadets Platinum level meaning that the student’s experience during their year in industry is quality benchmarked and recognised industry-wide.

For Year 13 students /S6

Placements will start July/Aug 25

Accreditation: *Platinum [Industrial Cadets Award](#)*

Birmingham University Open Day:

Next year our **summer Open Days** will take place on **Friday 27 and Saturday 28 June 2025**. You are welcome to bring a group of your students on the Friday. Booking is essential, and please contact our Open Day team to do so - email openday@contacts.bham.ac.uk
