

22nd November 2024

Weekly Newsletter for Parents & Carers

Welcome

A heartfelt thank you to everyone in our community who has generously contributed to this year's Movember fundraising efforts. This cause is incredibly important to us, as it raises vital awareness around mental health, prostate and testicular cancer, and suicide prevention. We are proud to share that, thanks to the support of our

students and staff, we are on track to be one of the top 10 fundraising schools in the UK this year! I'm taking part by growing a 'handlebar' style moustache (as suggested by our students—thank you for the great idea!) and running

160km throughout November. While this is certainly a challenge for me, it pales in comparison to the ambitious goals set by our students, whose determination and spirit continue to inspire us all. Thank you again for your support in making a real difference! Follow this [link](#) to help our team to achieve their goals..... On Wednesday morning, we kicked off the day with a delicious celebration to recognise the hard

work of our Year 11 students as they completed their first set of trial exams. Hot chocolate and croissants were served during tutor time, creating an uplifting atmosphere. The students were truly grateful for this thoughtful gesture, organised by their Head of Year, Mrs. Jones, and Key Stage 4 Leader, Mr. Worn. I don't think I've ever handed out over 200 hot chocolates before—it was a record-breaking morning! A big thank you to everyone involved, and of course our catering team, for making this a memorable start to the day!

This week and next, senior leaders are visiting Year 7 lessons to observe students' focus, engagement, and commitment to challenging themselves to be **"better than you thought you could be."** At Bosworth Academy, we have high expectations, and it is essential that students remain fully engaged in every lesson. Next week, Year 7 and 8 students will be showcasing their work at our REAL LIFE Exhibition events. Please ensure you attend on your assigned evening to celebrate your child's achievements and experience the wide range of learning happening across the curriculum by our Laureates.

And finally, the quote, **"No one has ever become poor by giving,"** by **Anne Frank**, highlights the idea that generosity doesn't diminish our well-being—it enriches us in other ways. When linked to our fundraising efforts, it reminds both students and parents/carers that by contributing to a cause, whether through time, effort, or donations, we are not losing something, but instead gaining a deeper sense of purpose, community, and compassion.

Enjoy your weekend,
Mr Brown,
Headteacher

Real LiFE Exhibition

Next week we will be hosting our Real LiFE Exhibition where students from Years 7 and 8 will be able to show parents/carers the work they have been doing in their Real LiFE missions.

We ran our first Real LiFE Exhibition last year to great success and we are looking forward to this year's event which will be held **4.30-5.30pm** across the three days of **Monday 25, Tuesday 26 and Thursday 28 November**. Please check the timetable below for your child's tutor group.

25th November	26th November	28th November
8JSM	7JWI	7GWR
8GMU	7RPI	7EPY
8RGR	7SRI	7RWT
8HCH	7HBA	8RWA
8GHI	7JGR	8LMA
8STH	7SMC	8MDY

Students will need to go home at the end of the school day and return with you for the exhibition. They will act as your guide so ensure they bring their iPad with them to show you a slideshow and at least one piece of their work.

We look forward to seeing you at the exhibition and showing you the hard work students have done in their Real LiFE missions.

Mrs Wright, Real LiFE Curriculum Lead

School Closure

Bosworth Academy will be **closed on Friday 29 November 2024** as the whole of the LiFE Multi Academy Trust has a disaggregated training day. The school will reopen on Monday 2nd December at 8.40am.

HBSSPAN Sports Leaders

This week we had six sports leaders support our primary school events across two different sports.

On Tuesday we held a primary basketball Year 5&6 tournament where three students refereed lots of matches and showed excellent leadership skills, including some

of the Bosworth 6 Cs, Character & Communication. The communication with the students throughout the event was excellent. Students pictured are (left to right) Delani K Year 11, Suraj P Year 13 and Thulani K Year 10. On Wednesday it was the turn of three more sports leaders who supported us with a Primary Year 5 & 6 Football tournament, which also included refereeing lots of matches, again these students showed the Bosworth 6Cs of Character and Communication. Teachers also commented on how well the boys lead the games. The boys did particularly well, especially in freezing temperatures. Students were Joshua W Year 8, Alex B Year 9, Mason B-W Year 8.

Well done to all students.

Mr Bell, HBSSPAN Officer

Studio 79 Visit

Our GCSE Dance students were treated to a show by a group from Studio 79 on Thursday.

The performers from Studio 79

displayed their skills in contemporary dance in both solo and group work. A solo artist also sang songs including hits from Queen that showed their vocal range.

After the performance a Q & A session revealed the weekly routines for the dancers at Studio 79 who are based in Leicester.

Our Dance students from Years 9-11 watched and listened intently and we thank Studio 79 for visiting us and giving such a great performance.

Miss Green, Teacher of Dance

Trial Exam Celebration

On Wednesday, we celebrated the end of Year 11 trial exams with a special breakfast for all students. All students in the year group were provided with pastries, hot chocolate and tea and Mr Brown, Mr Worn, Mrs Jones and their tutors distributed the goodies!

Our Year 11s have been absolutely superb during their exams with invigilators praising their effort and maturity throughout the fortnight. We have been immensely proud of how the year group conducted themselves and we are sure that they will continue to demonstrate these high levels of mature, focused behaviour for the remainder of Year 11.

Well done Year 11!

Mr Worn, Key Stage Four Lead

Year 11 Prom 2025

The Year 11 Prom will take place on **Friday 20 June 2025 7pm-10pm** at the King Power Stadium in Leicester.

The cost of a ticket is £42. (if you are PP or FSM, the relevant discounts have been applied to your sQuid accounts). The payment has been split into 2 payments, a deposit of £21 and a balance of £21. The **DEADLINE** to make the £21 **DEPOSIT** payment is Friday 29 November 2024. If this deadline is missed, the offer will no longer be available but a new offer for a full priced ticket of £42 will be available and live until Friday 28 February 2025.

Full details can be found [here](#).

This annual event proves a memorable experience for Year 11 students and we look forward to Prom 2025!

Mrs Smith, KS4 Administrator

The Oaks Sixth Form

Be better than you thought you could be at The Oaks Sixth Form at Bosworth Academy. The opportunities available to you will prepare you to thrive in a complex world.

Choose The Oaks Sixth Form at Bosworth Academy today. See a day in the life of a sixth form student [here](#).

CANSAT COMPETITION

We're a team of 6 post-16 students entering the ESA CanSat Competition, where we have to design, manufacture and then launch a can-sized satellite to the height of 400m and collect scientific data on its way down. In order to fund this project, we have set up a go-fund me, (can be found on the QR code) where we will print names, or a small message for donaters. More information is on our go-fund me page.

Go-Fund Me

Movember Update

After three weeks of our Movember 2024 fundraising appeal we have so far raised **£1,994!** Thank you to all who have donated so far and to our #TeamBosworth fundraisers..

Each year, as a school, we engage in the worldwide charity event and raise awareness and money into prostate cancer, testicular cancer, mental health and suicide awareness.

Throughout the month we invite all of our school community: staff, students, parents and friends to join the #TeamBosworth Movember group and pledge to 'Grow for Mo' or 'Move for Mo'. To grow simply grow a moustache and to move you pledge to move 60km across the month.

We are asking all of the stakeholders of Bosworth Academy; staff, students, parents and friends to sign up to our #TeamBosworth Movember page (click [here](#) or scan the QR code below) and pledge to help us raise awareness and funds for this great charity.

Throughout the month you can choose the 'grow' or 'move' for Movember. To 'grow' you need to be clean shaven on the 1st November and grow a moustache throughout the month to showcase on the 30th. When asked why - share the goals of the charity. To 'move' you pledge to move 60km across the month by walking, running, cycling, paddleboarding - choose your method. The reason for the 60km is linked to the 60 males who die by suicide each hour globally. We also have 100 pin badges, available to purchase on Squid and collected from Main Reception. Please come and join us on this Bosworth Academy community project. If you can't join in then please donate to help us hit our fundraising target of £3,200.

The topics of this event are deeply upsetting but ones we have to address as a school. If you have any concerns regarding your mental health then please see the [wellbeing support](#) on our Academy's website.

Mr Grest, Assistant Headteacher

Football Scholarship Talk

Year 11 students were given a greater insight into the world of football this week when Tamworth FC midfielder Callum Powell visited Bosworth Academy on Wednesday to discuss football scholarships.

Callum discussed with the students the Post 16 option of studying a NCFE Level 3 Extended Diploma in Sport (Performance and Excellence) through the CP Coaching Academy.

This pathway enables students to train, play and study with video analysis used to identify areas of improvement for players.

Callum shared his own journey of being a football player and coach with him showing Character to overcome setbacks including injuries.

Students were focused during the hour-long session and we thank Callum for visiting us.

For those who are interested in studying the NCFE Level 3 Extended Diploma in Sport please contact me at hmarar@lifemultiacademytrust.org.uk

Mrs Morar, Careers Coordinator

Communication Charter

We are pleased to see the positive response to the launch of our Communication Charter last year. Many parents have taken the time to review the document on our policy page, and we appreciate your support in this new initiative. You can access the Communications Charter [here](#). Please familiarise yourself with it if you haven't done so already. This outlines that any meetings with staff should be prearranged as we cannot guarantee you will be seen if you arrive at the school without a pre arranged appointment. The Communication Charter has been instrumental in fostering a more structured and respectful dialogue between home and school. By establishing clear expectations and guidelines, we aim to ensure that all interactions remain focused on the well-being and success of our students. We are grateful to those who have actively engaged with the charter, as your adherence contributes significantly to maintaining a harmonious and effective communication network.

We recognise that questions and concerns may arise at any time during the school year, and we encourage you to continue using the charter as a reference point when contacting the school. Whether it's a quick update, a concern, or positive feedback, keeping communication open and respectful remains key to supporting the students in their academic and personal growth. As we move forward, your role in upholding these values remains vital. Together, through consistent and respectful communication, we can ensure that every student's experience is as enriching and supportive as possible. Thank you once again for your ongoing partnership and commitment to our school's vision.

Mr Dolinski, Deputy Headteacher

Fidget Toys

Fidget toys are not allowed in school for the vast majority of students.

A very small number of students are permitted to use fidget toys by the school in order to facilitate additional need. Any fidget toys not permitted will be confiscated.

Miss Watson, Assistant SENDCo

John Prescott 1938-2024

We were saddened to hear of [the passing of former Deputy Prime Minister, Lord John Prescott](#), whose influence on politics and social policy touched many lives across the UK.

As we reflect on his contributions, we remember a special moment from our GCSE Geography fieldwork in 2017. While visiting Hull, we had the unexpected opportunity to spot Lord Prescott. Demonstrating their keen interest in urban regeneration, our geographers used the opportunistic sampling framework to engage him in conversation, asking for his thoughts on Hull's regeneration efforts. His openness and willingness to share his views left a lasting impression on the students, offering them a unique and valuable insight into the real-world application of their studies.

Our thoughts are with his family, friends, and all those who admired him. His legacy, particularly in areas of regeneration and public service, will continue to inspire future generations.

The Geography Department

#Safeat17

Novice drivers are disproportionately represented in road traffic collisions being 16% of drivers but 26% of fatalities and 30% of casualties.

The Pathfinder Initiative was created by The Under 17 Car Club Charitable Trust to address that challenge. Delivered by volunteers, the 5 day programme is designed for 15-17 year olds who, accompanied by a parent or other appropriate

adult, learn the essential practical skills, road knowledge, attitudes and behaviours to be #SafeAt17 when they pursue a DVSA licence.

Surveys of the outcome of participation show that Pathfinder graduates have a 1st year post-test reportable incident rate of 1 in 19, a substantial improvement over the national peer group rate of 1 in 4/5.

www.u17ccctrust.org/research/

Pathfinder is run on a not for profit basis with bursaries available for those who cannot pay the course fee – and a bursary scheme which reduces the cost to young people resident in Leicester, Leicestershire and Rutland to £240. No child has ever been denied a place at Pathfinder on financial, educational needs or health grounds so if you require additional assistance we will discuss with you how to make participation possible. Events relatively local to you occur in school holidays at Prestwold Driving Centre with the next event during the February half term.

Further information is available from our leaflet:

<https://under17driver.co.uk/wp-content/uploads/2024/08/Pathfinder2024-Flyer.pdf>

If you have any questions please email us: admin@under17driver.co.uk or call: 07786 510060.

School Pickups

Thank you for your ongoing cooperation as we continue to improve the pick-up process and alleviate traffic congestion around the school. We would like to take this opportunity to reiterate some key points to ensure a smoother, safer experience for all.

Firstly, we kindly remind you to plan your pick-up for after 15:20, once the school buses have departed. This not only reduces congestion but can also significantly shorten your waiting time. Both the top and bottom gates are available for

pick-up, so please use either to help distribute traffic more evenly and relieve pressure on surrounding roads. Please note that staff will temporarily hold cars to allow the safe departure of buses, and we ask for your patience and respect during this process.

We would also like to stress the importance of respecting local residents. Please avoid blocking driveways or parking in front of homes, as this can cause unnecessary inconvenience and frustration. In addition, we kindly ask that you do not stop in the school's entrance or exit zones, which must remain clear for the safe and efficient flow of traffic.

Finally, we are working closely with police to address inappropriate driving behaviour near the school. The safety of our students and the local community is our top priority, and we are taking proactive measures to ensure that all drivers follow safe and courteous road practices.

Thank you once again for your continued support and understanding.

Mr Dolinski, Deputy Headteacher

Maths Puzzle of the Week

Last week's puzzle: Find the sum

x and y are positive integers.

Find all the number pairs such that

$$x^2 - y^2 = 437$$

Since $x^2 - y^2 = (x + y)(x - y)$

We look for factor pairs of 437.

By inspection, 437 is semi-prime, that is, it only has 2 prime factors

$$437 = 19 \times 23$$

$$x + y = 23$$

$$x - y = 19$$

Adding gives $2x = 42$

Hence $x = 21$ and $y = 2$

(and by extension, $x = -21$ and $y = -2$)

$$437 = 437 \times 1$$

$$x + y = 437$$

$$x - y = 1$$

Adding gives $2x = 438$

Hence $x = 219$ and $y = 218$

(and by extension, $x = -219$ and $y = -218$)

This week's puzzle: How many sheep?

One shepherd said to the other. "Give me eight of your sheep and we'll have an equal number." The other responded "If you give me eight of your sheep I will have twice as many as you."

How many sheep does each shepherd have?

FSM Support

Students who receive Free School Meals can be supported in a number of ways, which may include a contribution towards the cost of uniforms, equipment and trips.

Leicester City Council

If you believe that your children may qualify for this support based on your income, you can apply by following these links:

Leicester City: <https://freeschoolmeals.leicester.gov.uk/>

Leicestershire (County): <https://www.leicestershire.gov.uk/education-and-children/social-care-and-supporting-families/free-school-meals/june/sign-up-now-for-holiday-scheme-for-children-on-free-school-meals/>

Pantry: We also have a supply of food in our pantry. Please email pantry@bosworthacademy.org.uk if you would like further details.

If you have further queries about Free School Meals and the support we offer, please contact the school.

Jane Manning Associate Senior Leader, Pupil Premium Coordinator

jmanning@bosworthacademy.org.uk

Proudly supported by MCKS Charitable Foundation UK

Bosworth Academy School Pantry

We have a great resource at Bosworth Academy to support families in our community. If you ever find your family struggling to get basic cupboard and hygiene products you can access them through our school pantry.

If you would like to arrange a time to collect some items, please do not hesitate to email the link at the bottom of the page.

Items that you may find in the school pantry:

Pasta	Tinned fruit and vegetables	Shampoo & Conditioner
Rice	Soup	Shower gel
Jarred sauces	Sugar, tea and coffee	Sweet treats
Cereals	Tooth brushes	Sanitary products
Crisps	Toothpaste

10 Top Tips for Parents and Educators

EDUCATING CHILDREN ON SPENDING AND SAVING

Evidence shows that children's spending habits begin to form as early as seven years old. With primary schools in England not required to teach financial literacy, many young people are reaching adulthood without knowing the basics of budgeting. This guide explains how to teach young people about money in a practical way, giving them the understanding to become savvy spenders and savers.

1 PROVIDE POCKET MONEY

Giving children money – even a small amount – can help them learn to make their own budgeting decisions about how to spend or save it. Research shows that youngsters who receive pocket money are more likely to become adults with strong financial skills and significantly less debt.

2 USE A PREPAID CARD

Being able to pay by card is essential these days, with some retailers not accepting cash since the pandemic. Prepaid debit cards are available for children from the age of six, allowing them to get used to spending like they will as adults with no risk of dipping into an overdraft. Learning about money is like learning to swim – you need to get in the pool and have a go!

3 PRACTISE BORROWING

Although official borrowing is only available to over 18s, kids need to understand how debt and interest works before they become adults and are exposed to credit cards or buy now, pay later schemes. For a safe means of teaching them about this, parents could offer them extra pocket money but explain that it needs to be paid back by a certain date, plus an extra couple of pounds as interest.

4 ENCOURAGE OPEN CONVERSATION

Chatting about money and how much things cost will teach children that finance is a part of everyday life and not some "scary adult thing". Parents can involve them in budgeting for the weekly shop, for example, working together to get everything on the list while keeping the total below a certain number. Letting young ones make spending decisions in a safe space can build up their confidence regarding money.

5 DISCUSS THE PRESSURE TO SPEND

Whether it's YouTube ads or a hint of envy at a friend's recent purchase, spending triggers are everywhere. Encourage children to notice how clever shop design (like placing sweets at the checkout) and offers such as "3 for 1" deals entice us to spend more. Challenge them to resist impulse buys by getting them to sleep on it before deciding to spend.

6 TELLING 'NEED' FROM 'WANT'

Learning how to prioritise spending is an important life skill: the difference between life's essentials and "nice to haves" is key to budgeting. If children pester you for treats while shopping, it's the perfect time to say "That's a want, we're getting our needs first." You could show how you budget for food, electricity and so on before buying fun things.

7 ENCOURAGE SAVING

Getting children saving early can set them up with a useful habit for their adult life. Suggest that they set something aside every time they receive money and help them set a target for how much to put away, so they feel motivated to continue. For example, encouraging them to save for a friend's birthday gift can get children much more invested in what they buy.

8 SPARK INTEREST IN INTEREST

Motivate children by telling them about interest: you can describe it as a reward for saving money. Explain how everything they put away will grow over time. As an exciting example, explain that 1p doubled every day for a month would amount to approximately £13 million. Some prepaid cards for young people also offer interest: parents and carers could also add a little to supplement what their child saves and show how it works.

9 PAYING FOR CHORES

This is a complex debate with no right or wrong answer: it depends on what works for each individual family. However, it can be one of the best ways to teach children that money needs to be earned and helps to create more mindful spenders. If parents aren't keen on paying for everyday chores, they could ask the children to suggest their own ideas for earning a little extra.

10 PROTECT CHILDREN FROM SCAMS

Scams are a terrifyingly easy way to lose money, and children are generally more likely to be taken in due to a lack of experience with these financial criminals. As a minimum, make sure they're aware of the most common scams they could be exposed to – by text, email and phone, for instance. Young people should tell a trusted adult about any unexpected message or call and never give out their personal information.

Meet Our Expert

GoHenry is a prepaid debit card and financial education app with a mission to make every young person smart with money. Co-founder and CEO Louise Hill is a passionate campaigner for better financial literacy among school children and strongly believes that money management is a crucial life skill.

@wake_up_weds

/www.thenationalcollege

@wake.up.wednesday

@wake.up.weds

Users of this guide do so at their own discretion. No liability is entered into. Current as of the date of release: 20.11.2024

Findings from the Money and Pensions Service have found that only 47% of children in the UK have received a meaningful financial education. Money management is a vital part of being an adult, and an exceptionally important skill that will benefit children for their entire lives. Having the knowledge and self-control to let savings build up interest – or avoid an impulse buy can ensure that children go into adulthood at a significantly lower risk of financial difficulty. With Black Friday and Cyber Monday sales fast approaching, now is a great time to help children understand the value of money.

The Compass

Book Recommendations

Non –Fiction November

Packed with astonishing facts and even more jaw-dropping images Animal Record Breakers is a colourful guide to the most exceptional creatures on Earth. From the strongest and shortest to the longest and laziest, it features world record holders

from each of the main animal groups. Find out how the okapi can lick and clean its own eyes, see the flea that accelerates as fast as a space rocket and discover the turtle that can eat its way out of a crocodile. All this and more in this celebration of creatures both great and small.

With foreword by Ian Wright & afterword by Jermain Defoe. Beth Mead is one of the world's most talented footballers - Golden Boot winner and Player of the Tournament at the UEFA Euro 2022, England Player of the Year 2021-22, Arsenal Player of the Season 2021-22, and nominee for the 2022 Ballon d'Or. But long before

this, Beth was just an ordinary kid from Hinderwell, North Yorkshire who wanted to play football. From being placed in the local boys' team as a child because her mum wanted her to run off her boundless energy, to joining Middlesbrough FC's Centre of Excellence and making her professional debut at Sunderland, Beth and women's football have come a long way. Filled with positive lessons and an exclusive

account of England's triumphant Euros campaign, Beth offers readers of all ages a heartfelt, behind-the-scenes look into her remarkable journey to glory. Empowering, inspirational and honest, this is Beth's story.

Arbor Parent App

The Arbor Parent Portal has been specifically designed to improve how

parents and school staff communicate. The school can send and receive information via the Arbor app and portal and Parents can view key information relating to their child, including:

- real-time attendance data
- real-time behaviour information including rewards
- academic progress reports
- timetables
- communication channels

You can install the app on your phone:

[Apple](#) and [Android](#).

For help and guidance, please visit: <https://www.bosworthacademy.org.uk/arbor/>

Extra Curricular Activities

We now have a wide range of clubs for students to participate in during lunchtimes and after school. For a full timetable please click [here](#).

As a reminder, transport will not be provided for after school clubs.
