Weekly Newsletter for Parents & Carers

I'll start this week's welcome with some exciting leadership news at Bosworth Academy.

We're delighted to share some updates to our senior leadership team for the 2025/26 academic year.

From 21 August 2025, Miss Baxter and Mr Dolinski, our current Deputy Headteachers, will take on the new role of Co-Heads of School. Following a thorough interview process, they were chosen to lead our vibrant school community together. This co-leadership model brings additional capacity, a blend of complementary skills, and unique perspectives - strengthening our mission to innovate and inspire our young people. Our tutors shared this important message with their tutees on Thursday so they had an opportunity to speak to their teachers.

I will continue as Headteacher of Bosworth Academy, while also expanding my leadership role across the LIFE Multi-Academy Trust supporting other schools. This collaborative work is key to growing professional learning and excellence across all of our Trust schools. Day-to-day parents and carers will know that one of our Heads of School will be leading the Academy when I may be working with another school in our Trust.

We're excited about this next chapter and confident this structure will help us continue to achieve our vision: 'To be

better than you thought you could be.'

Please join us in congratulating Miss Baxter and Mr Dolinski as they begin their new roles from 21st August 2025.

Later this evening many of our support staff and teachers will be joining our Year 11 students as they celebrate the end of their key stage 4 journey at the Prom. This school-led event is taking place at the King Power Stadium. Students have been achieving points towards their Prom Passport throughout the year, being committed to our values, showing strong focus on their learning and displaying good attendance and punctuality records. Now that their summer examinations have ended they are truly ready to have a fantastic evening with ball gowns

and suits ready. I'm sure we'll be sharing some brilliant photographs in next week's 'In the Loop'.

A Canadian educational author **George Couros** said, "**The Innovator's Mindset: Empower Learning, Unleash Talent, and Lead a Culture of Creativity**" - which resonates. A quote about how everyone, students, educators, and parents have unique abilities and it is about helping people discover and unleash their strengths.

Have a great weekend - though apply that sunscreen!

Headteacher

High School Musical

We are thrilled to invite you to this year's whole school musical production of High School Musical! After months of hard work, creativity, and collaboration, our talented students are ready to bring this iconic show to life — and we need your support!

Performance Dates:

Thursday 26th & Friday 27th June. Tickets which had been purchased for the originally planned Wednesday show can be changed for a Thursday or Friday ticket.

All performances start at **7:30pm**

In the Main Hall at Bosworth Academy

Tickets:

Adults – £8.50

Children – £5.00

Purchase internally via iPay, or externally via Ticket Source here:

www.ticketsource.co.uk/bosworthacademy

This production has been a true celebration of our school community, with students from Year 7 through to Year 13 working side by side. The energy, teamwork, and dedication they've shown has been nothing short of inspiring. Please come along and support them – they have poured their hearts into this show and truly deserve a full and supportive audience each night. Let's all get our heads in the game and make these nights ones to remember!

Mrs Jones, Teacher of Drama

Earlier Finish 26 June 2025

Bosworth Academy will **close** to students at **2pm** on **Thursday 26 June**.

2PM Finish

Finishing the school day early at selected times throughout the year within the LiFE Multi-Academy Trust offers significant benefits for teachers and support staff, by providing dedicated time for professional development, that includes both subject-specific training and career development. Subject-specific training and the opportunity to connect with teachers across our trust ensures teachers stay updated with the latest advancements in their subjects, leading to more effective lessons and improved student outcomes.

Cross-school collaboration during these in-person sessions enriches teachers' professional

networks, exposing them to diverse ideas and best practices from different schools within the Trust. By facilitating greater collaboration between colleagues, the LiFE Multi-Academy Trust demonstrates a strong commitment to enhancing teacher expertise and promoting an outstanding educational experience.

Mr Claricoates, Assistant Headteacher

Sports Day 2025 Update

As we approach Sports Day at Saffron Lane Athletics Stadium on Monday 30th June we wanted to give you some more details about the day and what your child needs to bring.

Students must come to the school in their school PE kit. There will be no need to bring their uniform with them. They will need to check the weather and bring appropriate clothing to keep them warm and/or dry so please bring a waterproof coat and jumper. Please note they will be expected to wear school PE kit and anyone wearing unsuitable clothing will be expected to borrow PE kit from the school. If the weather is hot and sunny please provide your child with sun cream and plenty of water.

Students will be at Saffron Lane for the vast majority of the day and will not be able to purchase lunch in the normal way at the school canteen. Students should make sure they bring enough food and drink with them from home. If your son/daughter is a recipient of FSM please place a lunch order via this link by Monday 23rd June. Some snacks and drinks will be available to purchase at Saffron Lane. Students will need to bring some money to make these purchases. Please also ensure your child brings enough water to last the whole day.

The nature of the day means that students' belongings may be unattended for periods of time. Please ensure all clothing is named and we would encourage students to leave valuables at home.

Parents will be allowed to spectate the event from 10.00am onwards and a separate seating area will be provided for your viewing pleasure. Please note students will be expected to travel to and from Bosworth via the school coaches as we have

tutor interventions planned that all students will need to be part of.

Finally if you have not yet made the £5 parent contribution and would like to do so please make payment via iPAY.

We are really excited about this event and it will offer a unique opportunity for students in KS3. Below you can see the current contributions to the Year 7 and Year 8 goals.

Mrs Hayton, Head of Year 8

Sports Day Sponsorship

Year on year the cost of Sports Day increases so this year, to help fund the event, we are asking companies if they wish to sponsor the event alongside fund-raising activities led by each tutor group as well as asking for contributions from parents.

Please get in touch if you would like to sponsor this event to help with the costs and ensure that we can continue to give our students this experience. Your company's name will be shared on our social media channels and also in our 'In the Loop' newsletter and via communication with parents regarding the event.

These are suggestions and can be discussed or adapted:

£500 - Sponsorship of the Sports Day x1

£250 - Sponsorship of the transport x4 (one per year group)

£100 - Sponsorship of the stand x 4 (one per year group)

£25 - Sponsorship of an event x 20

If interested then please contact Kirsty Hayton (khayton@bosworthacademy.org.uk) to discuss how you can support this.

Sport Leaders

Bosworth Academy Students Shine as Sports Leaders at Desford Primary.

This week, 20 students from Bosworth Academy stepped up as Sports Leaders to support Desford Primary School's Sports Day—and they did an incredible job!

Our students helped run seven activity stations, recording scores, times, and jumps for over 240 Key Stage 2 pupils.

The events included classic

Sports Day

favourites such as the sack race, sprints, howler throw, and more.

Despite the hot weather, our students demonstrated enthusiasm, leadership, and professionalism—encouraging younger pupils and keeping the activities running smoothly. Their positive attitudes and support made a real impact, and they were a true credit to Bosworth Academy. Taking part were:

Harleen C, Jasmeen S, Joshua W, Walther M, Alesha M Daisy G, Rose G, Charlotte E, Megan H, Luke R, Alex R, Daniel T, Louisa J, Teghveer H, Daisy L, Iris W, Alex W, Aiden C, Ruby W, Jessica E, Daniel F and Owen C.

A huge thank you and well done to all our Sports Leaders—you represented Bosworth with pride, and your efforts made a real difference to the day!

Martin Lynch, HBSSPAN Manager

Culture Day

We are excited to announce that our annual Culture Day will take place on Wednesday 25th June. This is a fantastic opportunity to celebrate the rich diversity within our school community and to learn more about each other's cultures and backgrounds.

Students are encouraged to come to school wearing traditional ethnic or cultural clothing, or they may choose to wear a national team jersey to show pride in their heritage – for example, a Polish football top, an England rugby shirt, or an Indian cricket jersey etc.

As part of the celebrations, the canteen will be offering a special international menu with dishes from around the world. There will also be a range of cultural activities during tutor time, giving students a chance to explore and share different traditions.

We look forward to a vibrant, inclusive, and educational day for all!

Mr Khalid, Diversity Lead

Stomp Round Leicester

We can reveal that from **Wednesday 2nd July** our LOROS baby elephant will be located at The Gallery in De Montfort University as part of the wider trail of Stomp Round Leicester!

Our elephant will be staying on the trail until the end of September along with the larger elephants.

Be sure to go and find our elephant and take a selfie!

Mrs Grant

Bus Transport

All students who require bus transport must reapply for their space including those who received transport in the current academic year.

Reapplications are essential to ensure accurate route planning and seat allocations. This applications also applies for incoming Year 7 students.

As a reminder, the deadline to submit applications is **Friday, 25th July 2025**, and final route and stop details will be confirmed by Friday, 9th August 2025. Routes and stops may be adjusted based on submissions to assign students to their nearest available service and ensure efficient use of transport resources. Applications can be submitted via the Passenger Travel Solutions website below:

SEND Picnic in the Park

Join the Leicestershire County Council SEND team at Picnic in the Park – a SEND celebration event hosted at the Pavilion, County Hall on **24th June from 4.30 to 6pm**.

Help the council celebrate the children and young people of Leicestershire who either have SEN support or have an EHCP. Please note that this is an event for families and adult supervision is required at all times.

Bring a picnic and have a go at some exciting activities. Confirmed is an ice-cream van (free ice-creams for all children and young people – parents can buy an ice-cream), Wheels for All, LeicesterShire Music team, Leicestershire County Cricket, football, Early Years activities, petting corner, selfie booth and a range of other sensory activities.

To celebrate achievements, you could send in a photo of your child or young person and/or something that they are proud of (photo, words or representations). Please can you send these to caroline.davis@leics.gov.uk by 19th June. These will be displayed at the event.

Please book your place at: <https://bit.ly/inclusive-celebration-event>

Arbor Parent App

The Arbor Parent Portal has been specifically designed to improve how parents and school staff communicate.

The school can send and receive information via the Arbor app and portal and Parents can view key information relating to their child, including:

- real-time attendance data
- real-time behaviour information including rewards
- academic progress reports
- timetables
- communication channels

You can install the app on your phone:

What Parents & Educators Need to Know about YOUTUBE KIDS

AGE RESTRICTION
4+

WHAT ARE THE RISKS?

As its name suggests, YouTube Kids is a child-friendly version of Google's online video-sharing platform. Its colourful user interface is designed with young people in mind, and it offers a curated, family-friendly experience with features like age-based content settings and parental controls.

INAPPROPRIATE CONTENT BYPASSING FILTERS

YouTube Kids is less likely to show inappropriate material than YouTube, but there have been reports of the app showing age-inappropriate content to young viewers. One investigation found that YouTube Kids had shown videos that promote skin bleaching, weight loss, drug culture and firearms to children as young as two, as inappropriate content had bypassed the platform's algorithms and human moderators.

18
CENSORED

BE WARY OF ADVERTISING

Like Google's regular YouTube app, YouTube Kids features pervasive advertising before a video plays. While these adverts are designed to be family friendly and are subject to a strict review process, it's worth noting that YouTube Kids collects information around children's viewing to inform targeted content and advertisements.

BUY NOW!

DESIGNED TO BE ADDICTIVE

YouTube Kids is designed to be addictive. The platform's design features, such as the constant stream of new videos and the reward system of points or virtual stickers, can be very engaging and make it difficult for children to switch off. Research has shown that spending too much time using digital services such as YouTube can lead to screen addiction, affecting children's daily routines, studies, and even their social lives.

SETTINGS CAN BE CIRCUMVENTED

YouTube Kids offers built-in parental controls, enabling you to set screen time limits and curate the content children are able to view; however, children are often more tech-savvy than we think. They can easily bypass or tweak these settings if they have access to the associated Google account password, thereby exposing themselves to age-inappropriate and potentially dangerous content.

AI-GENERATED MISINFORMATION

There is also a risk of children accessing videos that contain disinformation and misinformation. A BBC investigation found that some YouTube channels are using artificial intelligence (AI) technology to create misleading 'scientific' videos that are recommended to children as educational content. These videos included conspiracy theories and ideas that lack scientific backing.

DATA COLLECTION RISK

While there are limits on the data that YouTube can collect on children under 13, children can still inadvertently give away sensitive information when using YouTube Kids. The platform collects data on children's viewing habits, content searches and location, which YouTube and third-party advertisers can use.

Advice for Parents & Educators

PARENTAL CONTROLS

YouTube Kids offers several settings that allow you to manage what content children can view. For example, you can choose what level of content you want them to access, such as 'Preschool' or 'Younger'. You can also turn off the search function, so that only those videos approved by the YouTube Kids team themselves will appear on a child's recommendations list.

SET TIME LIMITS

The built-in parental controls let you keep a tab on how long children spend watching videos. You can set a timer that limits screen time and disables the YouTube Kids app once a specified length of time has been reached. It's also worth speaking to children about the dangers of spending too much time on YouTube, to ensure they remain focused on other, more important activities.

CHECK WATCH HISTORY

YouTube Kids has made it easy for you to keep an eye on what the children in your care have been watching on the app. By clicking on the 'Recommended' icon at the top right of the home screen, you can see which videos they've been viewing, and how much of each. If a child watches YouTube Kids while signed into a Google account, you can check their history through Google's 'My Activity' page.

WATCH TOGETHER

It's important that you try to make YouTube Kids a fun and positive experience for children. One way to do this is by introducing watching sessions, where you all gather around and share the most enjoyable videos that you have recently watched. This can be a great way of giving you both new things to talk about and of keeping an eye on what they're watching.

YouTube Kids is designed to be the safer cousin of the regular YouTube app; however, built-in risks continue to pose concerns. From targeted advertising to addictive design, there's more going on behind the scenes than many realise. This week's #WakeUpWednesday guide breaks it all down. Whether it's inappropriate content slipping past filters or tech-savvy kids bypassing parental settings, YouTube Kids still needs careful oversight. This guide provides clear, easy-to-follow tips to help adults keep young users protected while still enjoying their favourite videos.
