

BOSWORTH ACADEMY
TOGETHER WE ACHIEVE

Welcome

On Tuesday we welcomed Year 6 students to Bosworth Academy from a wide range of Primary Schools. During induction day they spent time in their new tutor groups participating in team

building activities and getting to know each other. Students experienced a range of different lessons and enjoyed their lunch in the canteen. Talking to students, they were excited about their secondary school experience and were warmly welcomed by our other students. It was great to see students in older years giving them helpful directions or generally helping out as tour guides. We look forward to seeing them all again as Year 7 students on the first day of term, Tuesday 26th August 2025.

On Monday we held our Annual Sports Day for Year 7 and 8 at Saffron Lane Athletics Stadium - the weather could not have been much warmer! Students excelled in the sunshine and enjoyed a range of athletic and team events. The stadium provided a good opportunity for shade in between competitions and it was fantastic to see such high participation.

Back in school on Monday, our Year 12 students engaged in an Enterprise Day. Teams of students were challenged to design a mobile app to a business brief and were judged by a team of employers - Dragon's Den style. There were some ingenious ideas and approaches seen and our visiting judges were truly impressed by the competencies of our students.

Next week we will continue with learning in all lessons. It is important that all students attend school or they will fall behind with important GCSE, A-level or key stage 3 learning. **The final**

day of term is Thursday 10th

July, with Friday being the first day of the summer break.

There will be exciting Rewards Assemblies taking place each day next week and some other great events for students to participate in.

I wish you all a great weekend,

Mr Brown,
Headteacher

A-level/AS Results Day

A Level results will be issued in The Compass from 8.30 am – 10.00 am on 14 August 2025. AS results will be issued in The Compass from 9.30 am – 10.30 am.

When you collect your results, if they are not quite what you'd hoped for, please see a member of the Post 16 Team, who will be there on the day to help you.

Please note that in order to continue into Year 13, you must have achieved a minimum of three E grades at AS, or end of year internal grades, and be continuing in those subjects.

If you are unable to attend on Results Day, you can either:

Request your results be emailed to you, by emailing abrewster2@bosworthacademy.org.uk, before the end of this term.

Give a self-addressed envelope to the Exams Office, before the end of this term.

If you wish to drop a subject going forward into Year 13, please see Mrs Brookes in the Post 16 Office for a blue form at the start of the autumn term. Forms will NOT be available until then.

Joining Sixth Form

Year 12 Registration and Start of Term Arrangements 2025

Thursday, 21 August 2025:

Collect results from 8.30 am – 10.00 am. Please register your place via the online registration form which will be sent out on Results Day. Please make sure you check your email inbox.

Friday, 29 August 2025

12.30 pm – 2.30 pm: Team building event
Please arrange transport to Bosworth Academy for this event.

You will also require transport home unless you have a place on a school bus.

Monday, 1 September 2025

8:30 am: First day of Year 12 at Bosworth Academy (lessons begin)

What do I do if:-

My results are what I hoped for and I can now go on to my chosen courses . . .

Congratulations! Please complete the online registration form.

OR

If you do not have the correct grade requirements, or you wish to make a change, please complete the online registration form. But don't worry, you will be able to speak to one of the Post 16 Team. Come in on Results Day and have a chat. For any other queries, please make an appointment to see a member of the Guidance Team by emailing

lbrookes@bosworthacademy.org.uk

Please see Bosworth Academy website for information on buses.

Open Evenings 2025

We are delighted to announce the dates of our 2025 Open Evenings:

- **KS3** Thursday 2 October 2025 4.30-7pm
- **Sixth Form** Thursday 30 October 2025 4.30-7pm

There will be talks throughout the evenings and we will release further details of these soon.

The Oaks Sixth Form

Be better than you thought you could be at The Oaks Sixth Form at Bosworth Academy. The opportunities available to you will prepare you to thrive in a complex world. Choose The Oaks Sixth Form at Bosworth Academy today. See a day in the life of a sixth form student [here](#).

Year 13 Design Artwork

After a long two years of tireless work our Year 13 students and their families got to come and see all the hard work in our A-level art and design exhibition, featuring Fine Art, 3D design, photography and textiles. Even having visits from our alumni. It was a lovely event with lots of visits from parents, some even stopping by on their way to Glastonbury! We can't quite share all the work yet, but after results day please take a look at our [@bosworthacademyadl](#) Instagram page to see the fabulous work in all its glory if you missed the exhibit.

Miss Morley, Teacher of ADT

With the end of term fast approaching, the Key Stage 3 staff and students are far from winding down. In the final two weeks there has been **Sports Day**, the **Induction Day** for the incoming Year 7 students, the **Year 8 environmental walk**, Colour's evening and next week sees the reward trip to Drayton manor.

Sports Day

On Monday 30th June we took all of the KS3 students to Saffron Lane for the annual Sports Day. This year the sun was shining and the atmosphere on the day was exceptional. It was great to see so many students competing in both traditional events, such as the track and field athletics, as well as the non-traditional activities like Tug o' War, target practice and swamp stomping. The encouragement from others whilst the athletes performed was amazing and showed fantastic citizenship and support for all.

Year 7 Induction Day

The following day, on Tuesday 1st July we welcomed over 250 Year 6s into the school for an induction day, to meet staff, meet each other and

get familiar with the culture we uphold at Bosworth Academy; a culture where we challenge all to be better than you thought you could be. During the day, each group was brilliantly supported by two Year 8 students, who acted as exceptional role models, both

supporting the class teacher but also acting as guides and sounding boards for questions that the younger students had. All staff and students had a wonderful day and we very much look forward to welcoming the new cohort, the Class of 2025-2030, into Bosworth Academy next term.

Colours Evening

On Tuesday evening we held our first Year 8 Graduation as well as KS3 Colours celebration.

On a very hot evening it was great to see so many deserving students awarded, alongside their rightfully proud parents, come up on the stage and be recognised for all their hard work on each of the 6Cs.

Congratulations to all and especially those students who were the 6C champions; the students who received the most reward points for each of the 6Cs, shown in the table below.

Year 7 Overall Star		Year 8 Overall Star	
Character	Insher V	Character	Isabella H
Citizenship	Thomas J	Citizenship	Christina Rose D
Creativity	Simitri M	Creativity	Riley B
Communication	Abdul M	Communication	Isabelle L
Collaboration	Viren S	Collaboration	Molly d V
Critical Thinking	Abdul M	Critical Thinking	Yashvi S

Key Stage Three Update

Environmental Walk

The annual Year 8 Environment Walk took place on Thursday 3rd July. All students in Year 8 complete a circular, 8 mile walk from Bosworth Academy to Thornton Reservoir. This is a great physical challenge for all but also a way to bring the whole year together to complete a challenging task. Students walk in groups, assisted by members of staff through our local countryside. They gain an awareness of the countryside code and get to immerse themselves in an area of

local beauty. It was a tiring day but students engaged really well and deserve so much praise for the way they conducted themselves. The staff did question my planning by having the walk on the day of a parents evening, though. For that, I hold my hands up.

Drayton Manor Trip

Finally, on Tuesday 8th July, we take our Year 8s on the annual reward trip to Drayton Manor theme park. Students are excited for this and it is a great way to end the year and celebrate the successes of their Laureate journey before moving into Key Stage 4 and their GCSE pathway. The students should be proud of their first two years and all students have really developed, both academically and personally and we wish them all the best with this next stage of their learning. Although they obviously remain Bosworth Academy students and the high expectation and high aspirations continue, they should also continue to be better than they thought they could be but now they embark on their chosen paths, into the GCSE options that they have chosen. Their curriculum will change but the foundations they have built in Key Stage 3 will allow them to rise to this next challenge.

Mr Grest, Head of Key Stage Three

New SENDCo

I would like to formally introduce Mrs Brogan Jones to the Learning Support Team. She will be the SENDCo at Bosworth Academy 5 days a week from August. You may already know Mrs

Jones- she was Head of Year previously and is a drama teacher at school. Mrs Croucher will be working at the school as SENDCo too, but takes up a new role as Director of SEND across the LiFE MAT for some of her week. Mrs Jones will be available for parental meetings in the Autumn term if you would like to meet with her- we will be in touch with details. To ensure a smooth transition and to make sure any questions or queries get picked up, we will be using a new email address for the department. Please can you use this from now on- send@bosworthacademy.org.uk (don't forget the d!).

We wish you all a wonderful summer break and look forward to working with you all in 2025-26.

Mrs Croucher, SENDCo

Extra Curricular Activities

We now have a wide range of clubs for students to participate in during lunchtimes and after school.

For full details, including timetables, click [here](#). As a reminder, transport will not be provided for after school clubs.

Mrs Coulson, Lead Practitioner

KS3 Sports Day

A massive well done to all of Year 7 & 8 on Monday for taking part in Sports Day in the recent heatwave were all experiencing.

There were some outstanding performances throughout the day but a special mention to the following students for setting new Bosworth Academy records: **Idara I (Yr7)** in Discus, **David A & Yvo B (Yr7)** in High Jump, **Robert P (Yr7)** in Long Jump, **Harlon C (Yr8)** in Shot Put, **Zoe-Michelle A (Yr8)** in Discus and finally **Reece B (Yr8)**

in Long Jump.

The final results are being calculated and will be announced next week in the Year 7 & 8 celebration assemblies.

Winners will also be shared in next weeks issue of 'in the loop'

Mrs Hayton, Head of Year 8

Stepping Up to Year 9

We would like to invite parents/carers of current Year 8 students to attend our 'Stepping Up' event on Monday 7th July, 6:00 pm until 7:00pm. The purpose of the evening is to introduce you and your child to the GCSE journey that will

commence in Year 9 and provide you with an opportunity to meet the Year 9 team. We will also provide details about your child's option choices and outline key information about uniform and equipment. If you are able to attend the event please book a space via the Ticket Source link or by scanning the QR code :

<https://www.ticketsource.co.uk/bosworth-academy/t-oigpav>

We look forward to seeing you on the 7th!
Mr Worn, Head of Key Stage Four

Year 12 Enterprise Day

Monday saw our Year 12 students take part in this year's Enterprise Day — a fun, fast-paced event inspired by Dragons' Den.

Students were challenged to develop a creative idea for a mobile app, working in teams

throughout the day to shape their concept, build a business plan, and prepare a final pitch. Towards the end of the day, students presented their ideas to a panel of judges who considered the business proposals and whether the project would be worth investing in.

Well done to 12OKH who won with their app Expand which sees users to work together and teach other new skills. All students showed great ingenuity with 6C values of Communication,

Creativity, Critical Thinking and Collaboration throughout.

We thank the judges from a range of industries who made the final decision and we look forward to next year's Enterprise Day.

Year 7 Guess My Job

On Wednesday Year 7 students took part in an engaging 'Guess My Job' event, where a range of employers visited classrooms to share clues about their careers—challenging students to work out what they do for a living.

As well as learning about a variety of job roles, students developed key skills such as active listening, critical thinking, teamwork, and communication, while also gaining insight into the different skills, qualifications, and career pathways associated with each role.

Careers Team

Dodgeball Success

We have been amazed by the great success in dodgeball by Ollie, Elliot and Toby P

Year 12 student Ollie P has been given the most amazing opportunity. He first started dodgeball just over two years ago and has gone from strength to strength. Competing at both adults and juniors at a top level and achieving many medals. Oliver and younger brother Elliot (Year 9) recently were awarded u17 British champions and Elliot and Toby (Year 7) were u15 British open silver medallists.

England Lions Dodgeball have never

before had a junior squad and after a gruelling set of trials, Ollie has been selected for the first ever England junior squad. A historic moment in itself, and shares it with an incredibly talented bunch of juniors.

A small selection of that squad would then have the opportunity to represent their county in the first junior Euros in Spain in August. Ollie has been given the opportunity to represent England at the event. Not only is he continuing to grow in himself, he is also encouraging the next generation and was very proud to be nominated for the British Dodgeball awards 2025, where he was shortlisted for coach of the year, for his work with dodgeballers of the future, particularly under 11s.

We hope all three brothers continue to enjoy their passion for dodgeball, and grab every opportunity it provides.

Miss Hall, Curriculum Lead PE

Rugby National Win

We congratulate to brother and sister Jack and Frankie B who both attended the UR7's regional festival in May. Jack was representing the Midlands u18s Boys and Frankie represented the North u14 girls.

Both their teams made it to the finals of their age groups unbeaten, with Jack's team going on to win the National title.

High School Musical

Well done to our Wildcats who absolutely smashed their two performances of High School Musical. We are so proud of you!

Thank you to our production staff who we couldn't have done the show without you and also to our audience for both nights. "We're All in this Together"!

Mrs Jones, Miss Green and Mr Kirk

Bosworth Academy PE Kit

For PE, students are able to wear a plain black T-shirt as their PE top. We are also going to allow sports T-shirts with small logos. The logo must be discreet. Students may continue to wear their black Bosworth Academy branded polo shirt next year also.

hoodie is optional.

Branded PE kit will still be available to purchase via the school website.

Students must wear black tracksuit bottoms, black mid-thigh length shorts or black leggings. These can also have a small, discreet, logo on them. Students will be permitted to wear a plain black hoodie or one with a small logo. The

PE Footwear

The reason for requiring specialist footwear is due to having a large sum of money invested in our PE facilities and the incorrect footwear can lead to early wear and tear. 'Normal' trainers flatten the surface and reduce the lifespan and 'bladed football boots' give players too much grip on the rubber crumb surface which can lead to ripping the carpet or serious injury to the player wearing the boot.

The footwear will be required at lunch and break should students be wishing to access the Dome or 3G pitch.

These boots can be picked up for £20 from Sports Direct so please do not feel pressure to buy the latest, most expensive boots.

Trainers/'Astro' trainers are needed for indoor lessons.

Boots or trainers can be used on the field.

Miss Hall, Curriculum Lead PE

Turn Up and Tuck In!

As we approach the final stretch of the term, we're launching a brand new 3-week attendance challenge. From now until the last day of term, we'll be tracking attendance across all tutor groups. The Top 5 tutor groups with the

best attendance will win an exclusive Period 5 celebration on the final day of term. Think food, fun, and a chance to finish strong together!

The Prizes

- Domino's Pizzas for the whole tutor group
- A whole tray of fresh donuts to share with the tutor group
- A mountain of sweets for everyone to share
- Biscuits and popcorn to snack on
- Party food and fizzy drinks for the group

This is the students' chance to come together as a tutor group, boost their attendance, and earn a delicious reward. Whether you're aiming for the top or just want to help your tutor group win a treat, every day in school counts!

So remember please encourage your child to attend school, and they might just tuck in to something tasty on the last day of term. Let the challenge begin!

Mrs Whitaker, Assistant Headteacher

Stay Safe Webinar

Upcoming Live Safe Workshop for Parents & Carers: Keeping Young People Safe from Knife-Related Harm

We are pleased to share details of the next Live Safe Parents/Carers Workshop, aimed at helping families keep children and young people safe from knife-related harm.

Date: Tuesday 8th July

Time: 6:00pm – 7:00pm

Location: Virtual (via MS Teams)

This free, virtual session is delivered by the Violence Reduction Network and is designed to raise awareness and provide practical strategies for keeping young people safe. Whether you're concerned about your child or simply want to be informed, this workshop offers valuable insight and support.

There will also be a Q&A session, and all participants can choose to remain anonymous. Cameras and microphones are optional; your comfort is the priority.

<https://www.tickettailor.com/events/lrviolencereductionnetwork/1755769>

Mrs Whitaker, Designated Safeguarding Lead

iPay Update

I'm pleased to advise that we have received the refund data and funds from sQuid.

We have now completed all refunds due.

These should appear on your child(s) iPay account in the History section of your child's account and show as PC Revaluer, Cash.

Please check your child's iPay, the refund should be dated during the half term 26th May 2025 - 30th May 2025

Should there be any issues please email

office@bosworthacademy.org.uk.

Bus Transport

All students who require bus transport must reapply for their space including those who received transport in the current academic year.

Reapplications are essential to ensure accurate route planning and seat allocations. This applications also applies for incoming Year 7 students.

As a reminder, the deadline to submit applications is **Friday, 25th July 2025**, and final route and stop details will be confirmed by Friday, 9th August 2025. Routes and stops may be adjusted based on submissions to assign students to their nearest available service and ensure efficient use of transport resources. Applications can be submitted via the Passenger Travel Solutions website below:

[Bus Pass Applications 25 - 26 — Passenger Travel Solutions](#)

Maths Puzzle of the Week

Last week's puzzle: Arithmetic Test

On four tests, each marked out of 100, my average mark was 85

What is the lowest mark I could have scored on any test?

40

I achieved an average of 85 on the four tests. Hence, I obtained a total of $4 \times 85 = 340$ marks for these tests. The lowest possible mark on one of these tests must be combined with the highest possible mark of 100 on the other three tests. This means that my mark on the fourth test would be $340 - 3 \times 100 = 340 - 300 = 40$.

Hence the lowest mark I could have scored on any one test is 40.

This week's puzzle: Timed Test

A digital clock shows the time as 05:55.

How many minutes elapse before the first time when all the four displayed digits are the same?

Free School Meals Support

Students who receive Free School Meals can be supported in a number of ways, which may include a contribution towards the cost of uniforms, equipment and trips.

If you believe that your children may qualify for this support based on your income, you can apply by following these links:

- [Leicester \(City\)](#)
- [Leicestershire \(County\)](#)

Pupil Premium: We now have a dedicated Pupil Premium email address that you can contact for any queries. If you wish to get in touch please email:

pupilpremium@bosworthacademy.org.uk

Pantry: We also have a supply of food in our pantry. Please email

pantry@bosworthacademy.org.uk if you would like further details.

If you have further queries about Free School Meals and the support we offer, please contact the school.

Bosworth Academy School Pantry

We have a great resource at Bosworth Academy to support families in our community. If you ever find your family struggling to get basic cupboard and hygiene products you can access them through our school pantry.

If you would like to arrange a time to collect some items, please do not hesitate to email the link at the bottom of the page.

Items that you may find in the school pantry:

Pasta	Tinned fruit and vegetables	Shampoo & Conditioner
Rice	Soup	Shower gel
Jarred sauces	Sugar, tea and coffee	Sweet treats
Cereals	Tooth brushes	Sanitary products
Crisps	Toothpaste	

pantry@bosworthacademy.org.uk

What Parents & Educators Need to Know about APPLE IPADS

WHAT ARE THE RISKS?

Tablets remain a staple of children's digital lives – and Apple's iPad is by far the most popular model. According to Ofcom, over half of younger children regularly use a tablet to play games, watch online content or access apps. With their broad functionality, iPads can be helpful tools, but without supervision, they may expose children to risks ranging from inappropriate content to screen overuse.

COSTLY TO REPAIR

Unlike some child-friendly tablets, the iPad is not built for rough handling. Its slim design and high cost mean that a drop or spill can result in a costly repair. If a child is using the device regularly, a sturdy case and screen protector are strongly recommended to help prevent accidental damage.

DATA PRIVACY

While Apple is known for strong privacy protections, a recent study found that many iOS apps aimed at children still share personal data. Over 40% of the tested apps sent at least one piece of user information to third parties, raising concerns about advertising and analytics being targeted at underage users.

INAPPROPRIATE CONTENT

The App Store and Safari browser provide almost unrestricted access to online material. Children may stumble upon age-inappropriate content, whether through apps, advertisements or online searches. Even recommended content algorithms can surface unsuitable material.

BYPASSING RESTRICTIONS

Siri – Apple's voice assistant – can potentially override restrictions, especially with the newer text-based commands introduced through Apple Intelligence. Without safeguards in place, children may inadvertently access inappropriate topics simply by asking a question, bypassing certain filters previously set by adults.

SCREEN ADDICTION

iPads can be highly immersive, and excessive screen time may affect a child's emotional and behavioural development. Signs of overuse might include mood swings, irritability, and difficulty focusing on non-digital activities.

REDUCED ATTENTION & COGNITIVE IMPACT

Prolonged use of tablets has been linked with reduced memory, slower processing speeds and difficulties in concentrating. Research shows that children who spend excessive time gaming or consuming media on tablets may struggle with language development and executive functioning over time.

Advice for Parents & Educators

ENABLE FAMILY SHARING

Family Sharing allows you to create a dedicated Apple ID for your child and manage their activity. You can approve purchases, control what content they can access, and set time limits – all done remotely from your own device. It's a simple but powerful way to maintain oversight.

FILTER APPS, WEBSITES & IN-APP PURCHASES

Parental controls in iOS let you block explicit content in Safari, restrict app downloads, and manage in-app purchase permissions. You can also filter websites automatically to prevent access to adult material and disable the installation of certain app types completely.

USE SCREEN TIME FEATURES EFFECTIVELY

Tools like Downtime and App Limits can reduce device overuse. Downtime allows you to block access during key times – such as before bed or during homework – while App Limits sets daily time caps on specific games or apps. Alerts help children anticipate when their time is almost up.

PREVENT UNAPPROVED SPENDING

Children can accidentally (or intentionally) make purchases within apps. Activating Ask to Buy under Family Sharing ensures you receive a notification to approve any app or in-app purchase. This stops surprise charges and allows you to discuss purchases together before they're made.

Library News

Here are the latest AR leader boards for the academic year.

For one month only - well done to 7SMC & 8RWA who read the most words in June for each year group.

Overall tally, September through to the end of June combined - well done to the same two tutor groups who are leading overall.

Well done to 7GWR & 8 8GMU who have gone up, improving their overall position on the leaderboard

Huge well done to our individual top readers:

Year 7 - Viren S, Hannah M and Mya O-G..

Year 8 - Diya G, Sophie W and Robert T.

This school year has been amazing for reading at our school!

We have some outstanding individual readers in our KS3:

Year 7s - 1 student has read 9 million words, 7 students have read 3 million words, 8 students have read 2 million words and 23 students have read 1 million words.

Year 8s - 1 student has read 3 million words, 2 students have read 2 million words and 5 students have read 1 million words.

Summer Reads

Here are book recommendations for you to enjoy over the summer holidays.

Key Stage Three

Thirteen-year-old Skandar has only ever wanted to be a unicorn rider. To be one of the lucky few selected to hatch a unicorn. To bond with it for life; to train together and race for glory; to be a hero.

But just as Skandar's dream is about to come true, things start to take a more dangerous turn than he could ever have imagined. A dark and twisted enemy has stolen the Island's most powerful unicorn - and as the threat grows ever closer, Skandar discovers a secret that could

blow apart his world forever... These are not fluffy unicorns but dangerous, edgy unicorns! Excellent adventure that engages from the start with heroic deeds, close friendships, mysterious pasts and a fiendish villain. Shireen's dream come true! Because winning will not only mean prize money, but it will also bring some much-needed attention to You Drive Me Glazy, her parents' beloved donut shop. Things get complicated, though, because Chris is also a contestant on the show. Then there's the very outgoing Niamh, a fellow contestant who is becoming fast friends with Shireen. Things are heating up between them, and not just in the kitchen. As the competition intensifies, Shireen will have to ignore all these factors and more - including potential sabotage -

Key Stage Four

Cassie Hobbes is not like most teenagers. Most teenagers don't lose their mother in a bloody, unsolved kidnapping. Most teenagers can't tell who you are, where you're from and how you're likely to behave within moments of meeting you. And most teenagers don't get chosen to join The Naturals. Identified by the FBI as uniquely gifted, Cassie is recruited to an elite school where a small number of teens are trained to hone their exceptional abilities. For Cassie, trying to make friends with the girls, and to figure out the two very different, very hot boys, is challenging enough. But when a serial killer begins recreating the details of her mother's horrific crime scene, she realises just how dangerous life in The Naturals could be...

Dates For Your Diaries

DATES	EVENT
Thursday 10 July	Last day of Summer 2025 term
