

# DROP-IN GARDEN PARTY!

## Do you want to know who we are & what we do?

The Toby Henderson Trust (TTHT) at the Autism Hub will be hosting a Summer drop-in Garden party, giving everyone the opportunity to come along to meet the team, whilst enjoying some refreshments in our 'Tranquility Garden'. If the weather is not on our side on the day, the event will be moved indoors. The Toby Henderson Trust provide specialist support to parents and families of autistic children and young people up until the age of 18, without requiring a referral or even a confirmed autism diagnosis.

The open day is to welcome anyone who would like to meet the team, learn more about what we do and what's available.

We also hope it will be an opportunity to help build on the communities understanding of Autism and inclusivity for all autistic individuals and their families. Whether you have a local business, work/live in the area, are a South Tyneside professional or parent/carer we would love for you to come along.
