SO WHO IS TTHT?

The Toby Henderson Trust (TTHT) is an independently funded charity supporting autistic children, young people and adults, their families and carers in the North East of England. TTHT was started in 2001 by founder & CEO Lesley K Henderson who turned her care, lived experience & knowledge into an organisation with a team that all share the same ethos and dedication.

We provide relevant, appropriate and accessible support for autistic young people from two years into adulthood, whilst also empowering parents, families & carers by sharing knowledge, experience and understanding.

Thank you so much! In 9 years that's the most help I've had, your support is very much appreciated!
