### Y5 Performance

The pupils loved performing their Easter story this week to families. Thank you to so many of you that were able to be here, supporting your children. The pupils and staff worked very hard to put on a great show. We are very proud of them. Well done, Year 5!

### Warm weather... at last!

The sun came out today and we took full advantage. The pupils had the choice to take a meal outside if they preferred. They managed to clean up after themselves too!

### Ukulele Masterclass

Class 1 have been learning how to play the Ukulele for 11 weeks and they put on a show for their parents today. They were accompanied by a Year 6 choir, as they performed a range of well-known songs.

### Hockey Finalists

Our South Tyneside Champions progressed to the hockey finals in North Shields. In awful conditions, they kept positive and stuck together as a team. As a result, both our Y4 and Y6 teams managed to win at least one game but sadly did not qualify for the finals. Despite this, they did South Tyneside, East Boldon Juniors and themselves proud. They were tremendous in every respect. Well done to our special champions!

### Attendance

92 pupils had 100% attendance this term. They received their Perfect Attendance certificates today. Well done!

### **Head Teacher Award**

Our celebration assembly is a little bit different during the last week of each term. We focus on attendance and termly achievements instead of our usual weekly routine.

Today, however, I decided to give an extra Head Teacher's Award. Our Year 5 pupils were hosting their enterprise market in the hall, when Year 4 were visiting the stalls. I was showing a family around our school and **Josh Gaff** decided to treat our newest pupil to Year 4 to a crispy cake. It was so very generous and left the family feeling so welcome.

It is moments like this that leave us feeling that our school is so special. Well done, Josh.
