SATs Special Edition

Dear parents/carers,

As you are probably aware, this week we received our Year 6 SAT results and we are delighted to be able to share the school results.

KS2 SAT results 2018	Reading	Writing (TA)	Maths	Grammar, Punctuation and Spelling	Reading, Writing and Maths Combined
Achieved Expected Standard	90% 75% <i>National</i>	92% 78% <i>National</i>	87% 76% <i>National</i>	87% 78% <i>National</i>	85% 64% <i>National</i>
Achieved Above Standard (Greater Depth)	42% 25% <i>National</i>	40% 18% <i>National</i>	47% 23% <i>National</i>	37% 31% <i>National</i>	22% 9% <i>National</i>

These **outstanding results are above national average in all areas** (sometimes even more than double) and will no doubt not only put us **among the highest performers in South Tyneside, but across the whole region too!** This confirms that achievement here at East Boldon Juniors is of an exceptionally high standard and is amongst the best. In the vast amount of cases, **children not only met their target based on KS1 entry data from the infants, but some even exceeded this.**

These results are thoroughly deserved and are due to the amazing amount of hard work and dedication from our parents, staff and of course our Year 6 children. Even if some children did not reach the standardised score target of 100, every child should be proud of their results. As a school, we certainly are.

Gibside Residential

The pupils had a wonderful time at Gibside National Park this week. Keep an eye out for the Gibside news articles and further photos on the Y4 page of our website next week.

Nissan visits

Year 6 experienced a day in the life of working in a technological industry.

They visited the different stages of the manufacturing of vehicles. The pupils were amazed by a robot, who was skilled in writing

and drawing – he was even able to create a portrait of John and one of Eva.

Polite reminder - dogs should not be brought onto the school premises. Thank you for your cooperation in this matter.

Video/photo on social media

Please be aware that photographs or video taken at school events such as shows and assemblies should not be shared on social media if they contain images of children other than your own. Failure to abide by this may result in parents being asked not to take photos or video in school.
