### Gibside Residential

The Year 5 pupils have completed their week at Gibside National Park and they have had a great time!

The children have thrived this week and loved the challenging activities. They will sleep well this weekend!

### 6LG at Nissan

What a fabulous trip we've had at Nissan yesterday! From the delicious cookies to the fabulous teamwork, our children have had a glimpse into the world of manufacturing.

Some of our children had their designs printed by a robot!

### What would you love in our parks?

The Friends of East Boldon Parks popped into school to ask the children what they think of the local parks. The pupils loved sharing their ideas and every pupil received a gift from the Friends of the Park team. A few lucky children who handed in their designs were pulled out at random and received prizes that can be used in their gardens. It is great to see that the children are consulted on these matters.

### Hub of the community

It was fantastic to open our doors again and welcome you into school on Saturday 22<sup>nd</sup> June for the East Boldon Neighbourhood Forum consultation event. Lots of you popped in, shared your views and even enjoyed a slice of cake.

### Wellbeing craft workshops

Many of our children have accessed our Snozeleun (wellbeing room) in school this year. Lou Rea has worked with staff to develop a craft programme for the pupils. Thank you to the families that attended our end of year event in the Lodge. It was great to share the work that the children have done with Lou.

### Oh we do love to be beside the seaside...

Year 4 continued their study of the north-east coastline with a closer look at the natural and man-made features of the coastline between Marsden and South Shields.

### Sports Day

Sports Day was a huge success! The sun came out and we had a great time. The children showed you all our sporting values: respect, friendship, fairness, effort and excellence. Thank you to so many of you for supporting the children.

Here is a recipe that the children have written to sum up their wellbeing classes:

A cup full of kindness,  
bucketloads of breath,  
a good night's sleep,  
a bowl full of perseverance,  
loads of love,  
a cup of forgiveness,  
tubs of patience,  
several sprinkles of respect,  
a spoon of good thoughts.  
Now mix together with teamwork.

### Let's Celebrate!

#### Head Teacher's Awards

**Harriet Shield** spotted Mrs Parry laying out all of the lost property yesterday and offered to help. She was very helpful and showed a very mature attitude. Thank you.

**Ruby Burnett-Houghton** has written a story about Mr Shenton and Mrs Grant turning into frogs! The story ends with the two frogs being taken home by Mrs Martin and being placed in her garden pond. When Mr Shenton and Mrs Grant changed back they were completely soaking! A funny story that the whole school enjoyed! Thank you!

Now, no more stories about turning your teachers into amphibians!

#### **Child Safety Reminders:**

##### Parking

Please take care when parking cars to pick up or drop children off at school. Children's safety is paramount. The Police visit all schools regularly to check that children are safe when arriving at, or leaving, school.

##### Dogs

Polite reminder - dogs should not be brought onto the school premises. Thank you for your cooperation in this matter.
