To the **amazing** children of East Boldon,

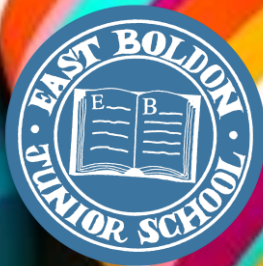

I hope you are all **safe** and **well** and I hope that you all had a relaxing Easter break with lots of time with your **families** and, of course, plenty of **chocolate**! I have spent lots of time in school over the last month with the children of key workers, who have been a **delight**, and it has been lovely to see the **bright, smiling** faces of families as you exercise in the park and give us a wave and quick **'hello'**. All the staff miss you all greatly. We **love** to see your work at home via Class Dojo. We think about you all often and we are really impressed by the **resilience** that you have shown at this time. The **community** spirit that we have in East Boldon has **shone** through.

The teachers have been busy in school and at home too. They have produced **new learning packs** which are on our website now. Select **'Our School Community'** and then your year group to find them – we look forward to more updates from your parents. We have had **thousands** of hits on our website every week – keep up the fabulous work!

Please remember to be kind to those around you (even your **brothers** and **sisters!**), look after yourselves, keep **smiling** and keep **safe**,

Mr Shenton

Thank you for your
Easter Egg decorations.
An 'eggsellent' tribute
to Our Heroes that help
us. Thank you to all of
our Key Workers.
Stay safe

We can see that you
have had a lot of fun
with these...
