

Amphitheatre

A large house where rich people would have lived, usually in the countryside.

Villa

A building in the centre of towns that served as a town hall, a court or a general meeting hall.

Aqueduct

An oval-shaped building with a big space in the middle for performances or gladiator fights.

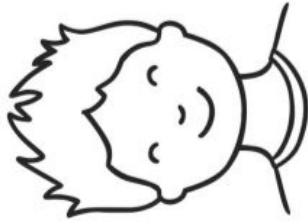

Basilica

A row of arches forming a waterway system that brings a supply of fresh water into towns and cities.

Quel âge as-tu?

7

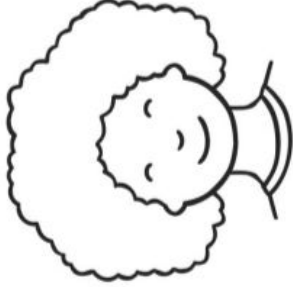

Salut! Je m'appelle Pierre.
J'ai sept ans.
