## Science

### Plant Science Experiment Inspired by Peter Rabbit

## PSHE

To understand that my behaviours can have an **impact** on others

Watch [this clip](#) explaining that the dominos represent the people around you. What happens if you knock one? They all topple over. In the same way, what one person says or does can affect a lot of people.

Watch this **clip** about acts of kindness being passed on. How did the characters feel when someone did something unexpectedly nice for them?

Talk your family about these Key Questions:

What would make people around me happy?

How do these actions make them feel?

How does it make me feel afterwards?

Create 5 acts of kindness hearts (attached below)!

## Geography

Look at the coastline on google maps and compare it to pictures from 20 years ago.

What has changed? What is the same? How have the cliffs at Marsden changed? Why might this be?

Can you draw a picture to show the coastline as it was then and now?

### ICT

Sign on [timestables.co.uk](http://timestables.co.uk) and complete the multiplication tests.

### RE

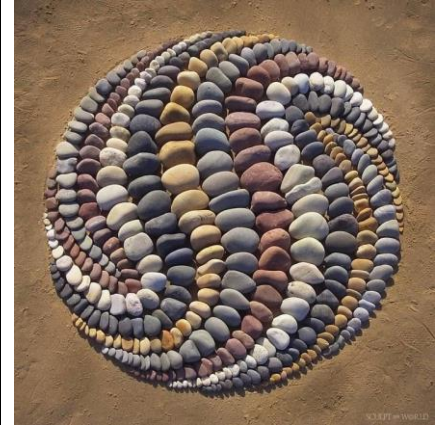

Who is the person that inspires you the most? Can you make a poster about this person and label it to show why they are inspiring to you?

### Art/DT

Can you make a beach/ garden sculpture?

As our new history and geography topic is coasts, can you create a garden or a beach sculpture using recycled materials?

### PE

Can you design your own sports day? Which races would you include? How would you plan it? Where would you hold it? Can you show us on squared paper how it would look? Don't forget to scale it down!

### French

Practise singing the following song:

J'aime les fruits  
J'aime les fruits  
J'aime les bananes  
J'aime les fruits  
Et les pommes aussi  
J'aime les fruits  
J'aime les oranges  
J'aime les fruits  
Et les poires aussi  
J'aime les bananes  
Les jolies bananes  
Et j'aime les pommes  
Et les pommes aussi  
J'aime les oranges  
Les jolies oranges  
Et j'aime les poires  
Et les poires aussi  
J'aime – I like  
les bananes – bananas  
les pommes – apples  
les oranges – oranges  
les poires – pears
