Online Units

Children at home and those in school are both following the same units of learning. Teachers have provided work on Google Classroom and all of the links are on our website. We've had some great suggestions from parents (weekly story time and excellent tech advice). Thanks so much for that! And another huge thank you for your engagement! Amazing!

The Hope-o-potamus

The Hope-o-potamus is a rhyming story written by Greg James and Chris Smith. What do you think this means? Can you think of any stories you have read that rhyme? What type of text do we see rhyme?

Norah's North Pole

We are delighted to have packed a phenomenal

8,876 SANTA SACKS

Ralph and all of the elves at Norah's North Pole would like to say a massive **THANK YOU** to every single person who donated gifts, time and money to Norah's North Pole this year. We received over 47,000 gift donations and raised £28,201.

Thank you to East Boldon Infants and Junior School who supported Norah's North Pole this year donating selection boxes for the Santa sacks.

In what has been a challenging year for us all we have come together as a community to provide for those who need it most. Nearly 9,000 families woke up on Christmas morning knowing someone cares. We hope you all had a very Merry Christmas.

Child Safety Reminders:

Parking

Please take care when parking cars to pick up or drop children off at school. Children's safety is paramount. The Police visit all schools regularly to check that children are safe when arriving at, or leaving, school.

Dogs

Unfortunately, as much as we love our four-legged friends, we do not allow dogs on site (apart from guide dogs).

Be responsible

Be prepared to be challenged
