Mandarin, music, swimming, and tennis

Thank goodness that we can start to reengage with external agencies again. The children have coped incredibly well given the circumstances in the world this last year, but we are delighted to begin to allow music, sports coaches and language teachers into our school safely again.

Year 5 Swimming

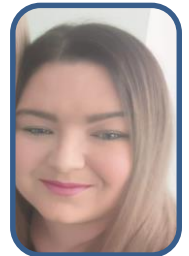

Year 6 Mandarin and transition events

Year 3 Garage Band and Pedestrian Training

Introducing Miss Porri

Last week, Katie Porri started her new role in the school office with Mrs Frank. I am sure you will all welcome her to our school family. She is looking forward to getting to know you all.

Year 4 recorder and tennis lessons

School Bags

In September, we asked children not to bring bags into school and to place coats on the back of their chairs. This allowed maximum space for passing one another in the corridors. Children can place a bag on their pegs again but we would encourage children only to bring items that they need into school.

Let's Celebrate!

Child Safety Reminders:

Stay safe

We have done incredibly well here at East Boldon Juniors to have so few class closures. We keep reminding the children to wash their hands thoroughly and follow our rules about corridor bubbles. They are great! As the roadmap eases national rules, there is a tendency for us all to relax but we are going to keep reminding the children about personal hygiene for their and your safety.

Parking

Please take care when parking cars to pick up or drop children off at school. Children's safety is paramount. The Police visit all schools regularly to check that children are safe when arriving at, or leaving, school.
