Readathon books have arrived

Back in Autumn, we hosted a Readathon event in school and raised money to buy new books for the children. They have arrived and they look amazing! A huge thank you to everyone that supported this event. Well done to Rose (Y6) and Will (Y4) who raised the most money. They must have read for hours!!!

Y3 Pedestrian Training

Some of the most vital lessons are about our safety. Children at East Boldon Junior School learn about E safety, electrical, fire and water safety – we also offer cycling proficiency and pedestrian training. The Y3s have just completed 6 weeks of pedestrian training and they were superb. They know how to cross roads safely, looking for hazards and potential dangers. The coaches remind children in Y3 to always cross roads with adults until parents decide that they are old enough to cross on their own. They are all safer now in our community. Fantastic!

Y5 Cricket and Football Tournaments

Our Y5 Cricket Team travelled to Castlevue Academy to compete against other local teams this week. The team performed admirably, winning all of their group games and topping the league. In the final, the team tied with Dame Dorothy Primary and the teams had to face a Super Over!

Unfortunately, we were beaten by one run. The children were amazing sports and congratulated the winners. Our children

were so proud of their silver medals and the coaches heaped praise on them for their amazing attitudes and efforts.

The football team also did incredibly well impressing the coaches with their teamwork and skills. They won three of their games and finished high up the leaderboard!

Lots of our pupils have been personally invited back to Castlevue for coaching sessions, as they were identified as gifted and talented.

School Garden

A group of parent volunteers popped into school today to help Y5 weed our raised beds and plant vegetables. A huge thank you. The pupils loved it!

Let's Celebrate!

Child Safety Reminders:

Stay safe

We have done incredibly well here at East Boldon Juniors to have so few class closures. We keep reminding the children to wash their hands thoroughly and follow our rules about corridor bubbles. They are great! As the roadmap eases national rules, there is a tendency for us all to relax but we are going to keep reminding the children about personal hygiene for their and your safety.

Parking

Please take care when parking cars to pick up or drop children off at school. Children's safety is paramount. The Police visit all schools regularly to check that children are safe when arriving at, or leaving, school.
