School Council welcomes local MP

During the national lockdowns over the last 15 months, we received a number of letters from Kate Osborne MP for Jarrow, thanking the school for its support for our community. Kate was keen to get into our school to hear from the School Council about our journey and our plans for the future. The pupils created a presentation for her explaining their role and passion for change. Their views are clear – we care about our pupils, our community and our planet. After the presentation, the elected group asked Kate questions about her role. Finally, we offered Kate a brief tour of the school grounds with our governors. The children loved the experience. Kate was very impressed by the drive and passion of the group. Well done to the School Council and all pupils that get involved with creating our weekly agendas.

Hoops 4 Health

Newcastle Eagles’ coaches and players have been in school to provide sports and health education to our Y5s again this year. Another great experience for our pupils.

Transition for Y2 and Y6

Transition is well under way for our pupils. Whitburn Academy, Jarrow School and Boldon School have all been in touch to meet our Y6 pupils. The children have also had their summer school and bus induction meetings. Most pupils have signed up but there are still spaces available at Whitburn’s Summer School to help the children again this year.

Mrs Seebacher and Mr Shenton popped over to East Boldon Infants last week to visit the Y2s. The classes are coming over to us for a variety of activities over the next few weeks.

Change up afternoon for all pupils is happening on Monday 19th July. The children will spend the afternoon in their new classrooms with their new teachers. All parents were informed of their new teachers via ParentMail before half term.

Let's Celebrate!

Child Safety Reminders:

Stay safe

We have done incredibly well here at East Boldon Juniors to have so few class closures. We keep reminding the children to wash their hands thoroughly and follow our rules about corridor bubbles. They are great! As the roadmap eases national rules, there is a tendency for us all to relax but we are going to keep reminding the children about personal hygiene for their and your safety.

Parking

Please take care when parking cars to pick up or drop children off at school. Children's safety is paramount. The Police visit all schools regularly to check that children are safe when arriving at, or leaving, school.
