**Year 6 Leavers: Derwent Hill Special**

### Y6 Events

Year 6 have enjoyed an action packed finish to their time at East Boldon Juniors:

#### Residential at Derwent Hill

The Y6 pupils had the best time in Keswick last week. We were all desperate for it to take place and it did! The photos tell you all you need to know: nature, challenge and friendship. Beautiful! We have booked Peat Rigg for Y5 next year and Derwent Hill for Y6.

#### Surf's up, dudes!

Y6 had a great time down at the beach learning how to surf. Totally rad!

#### Fun at Flamingo Land

We had lots of fun at Flamingo Land. We avoided the rain but got soaked on the rides!

#### Swimming Gala

We celebrate good attitudes, effort and sportsmanship here at EBJ. But it is also great to win! Well done to the swimming team!

#### Keep Safe

Pupils took part in Bikeability lessons in and out of school come rain or shine! The children learned how to be safer on the roads by looking for dangers, using the roads properly and signalling.

The children also had water safety sessions at Boldon School. These are such important life skills!

### Y3 Roman Day

Y3 classes embraced their inner-Roman spirits and they dressed the part.

### Y4 Coast Trip

As part of Year 4's curriculum study of The Coast the children visited Marsden and Roker.

### Y5 Charlotte's Web theme day

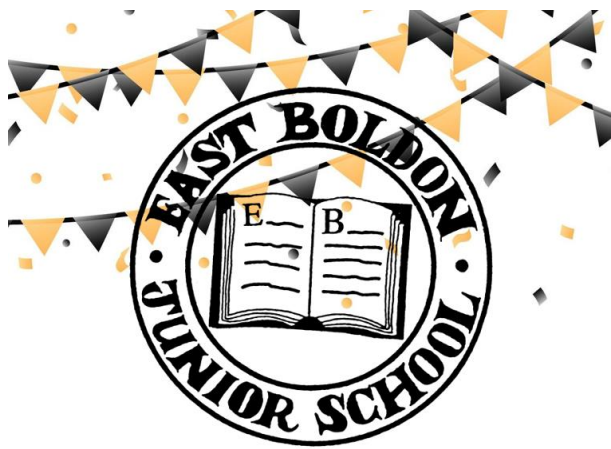

Year 5 created their own Charlotte's Web theme day to celebrate finishing the book.

### Sports' Days

We had to have lots of little Sports' Days in school this year. Staff shared images on Dojo of the children competing, supporting each other and celebrating success. Some of our families joined in from home too! Amazing!

**Let's Celebrate!**

We want to thank four members of our team that leave us this summer for pastures new. They have all been amazing with the children, showing their passion for their roles in school. Thank you

**Mrs Elliott**

Lisa re-joined us in September to cover maternity leave. The Year 4 children have thrived in her care. We thank her and wish her the very best of luck in her career.

**Mrs Errington**

Sarah joined Year 5 after Easter and has very quickly established herself as a member of the team and supported her class admirably. She has secured a job at South Hylton Primary School and we wish her the very best of luck in her career.

**Mr Taylor**

TJ is a PE specialist teacher based at Boldon School. He joined us three years ago on a part time basis to develop the teaching of PE by working side by side with staff. Boldon can't release him next year but he has promised to support us from a distance and keep in touch (it should be easy as his wife is our very own Mrs Taylor).

**Mr Keelan**

Aaron has completed and passed his teacher training at the University of Sunderland this year. We can't thank him enough for everything he has done, most notably volunteering beyond his course to support Years 3 and 5.

Thank you all, once again, for all of your support and efforts this year to make this year the best that it could be. As a community, we have grown together during the pandemic and done our very best for these wonderful children.

I hope that you all have a fantastic summer break. We will see you all in September and we wish the Y6 pupils the very best of luck at their next schools. Keep in touch!

Stay safe everyone,

Mr Shenton
