Buzz Aldrin Foundation

Well I think we can safely say that our recent visit to the University of Sunderland was one that the children of Year 5 will never forget. The Giant Mars and Moon Map Project organised by the Aldrin Family Foundation and the University of Sunderland was extremely interesting and the children asked Dr Andrew Aldrin (son of astronaut Buzz Aldrin) some fantastic questions.

Wave a flag at the Stadium of Light?

Do you want a once in a lifetime chance to stand on the pitch at the Stadium of Light and welcome the teams by waving Sunderland flags at a League One match?

Are you free on Saturday 11th December to attend the Sunderland v Plymouth Argyle match?

If your answers to the two questions above are both yes and this sounds like a dream come true for you, then follow the instructions below.
