### The Inside Scoop

This week has been *Anti bullying week* in school. This year's theme is 'Make A Noise About Bullying'. Some really important messages for our pupils. There's tons of great information on [anti-bullyingalliance.org.uk](http://anti-bullyingalliance.org.uk). Furthermore, school staff teamed up with the infants to share e-safety training this week. It is a constantly changing world – there's loads of **advice** for families on [saferinternet.org.uk](http://saferinternet.org.uk), [internetmatters.org](http://internetmatters.org) and [thinkuknow.co.uk/parents](http://thinkuknow.co.uk/parents).

### Children in Need

The pupils looked great in their Pudsey and Blush clothing and accessories today! If you wish to donate to CIN, there's loads of ways to do so on [BBCchildreninneed.co.uk](http://BBCchildreninneed.co.uk).

### Toy Collective Collection

Thank you for the lovely donations into school this morning. The Toy Collective have asked me to pass on their gratitude. If anyone would like to visit the shop, there are details on Class Dojo telling you where and when you can do so.

### Book Fair

Thank you to everyone who supported the school by attending the Book Fair. I hope the children found books that they love. The school receives credit for every book purchased, which allows us to buy more books for our library.

### Enrichment Focus

Multi-Skills club is a great opportunity for children who want to hone their sporting skills on a Friday afternoon. We have so many talented pupils that love nothing more than sport.

### Y4 Fire Safety Workshop

The Y4 pupils met a fire safety officer, who taught the pupils about the potential risks and dangers of fire around the home and the importance of safety measures.

### Sausage Competition

Our catering team entered the pupils into a competition to design your own new sausage recipe. Fingers crossed someone from our school wins because we get to try them in school and the lucky winner gets lots to take home!

### Governors' Corner

The school's Governing Body consists of parents, community members and school staff. They meet three times each term to provide the school oversight, accountability and ensure our school is the best it can be.

Last week, we met and governors would like to share a brief message regularly in our newsletter. Keep an eye on this space to find out more...
