## **Sports Evening**

Following the Government's announcement on Monday, our planned whole school sports evening will now not go ahead. This is very disappointing on many levels but tackling Covid must be the priority if we are to get back to normality sooner rather than later.

We will be celebrating sport through our special Schools Sports Day that Mrs Dennis is organising with Pete from A&U sports. All classes will get to enjoy sporting competitions within their bubbles and have lots of fun in the process!

Thank you to Mrs Dennis and Pete.

## **End of Year Reports**

For your information we will be sending home your child's school report on Wednesday 7<sup>th</sup> July. The report will be in a sealed envelope and is sent home via your child's book bag so please look out for it! If your child is absent on that day, we will keep the report in the school office until they return to school.

## **New Staff member in September**

On our return following the Whitsun break, we held interviews for our new school administrator. I am pleased to say we have secured a lovely lady to join our school – Mrs Jennifer Lightfoot. Mrs Lightfoot will be in school over several days so Mrs Evans can assist in the office transition.

Mrs Evans will be sorely missed by us all and although she is sad to say goodbye, she is also happy that we have someone who can carry on the great work in our busy office!

## **School Dates**

The end of term is fast approaching - as a reminder our last day of school is Wednesday 21<sup>st</sup> July and we will return to start the new academic year 2021-2022, on Friday 3<sup>rd</sup> September.
