7<sup>th</sup> July 2021

Dear Parents and Carers

As we approach the end of term, please can we maintain our precautions around minimising the risk of spreading COVID-19 within our school community.

To reiterate the following:

- Please wear face coverings when dropping off and picking up children
- Keep 2 metres apart on the pavements and roads around school
- If your child is unwell- keep them off school until they are better
- If you or your child shows any signs of COVID-19, book a PCR test as soon as possible
- Siblings of children who are waiting for test results should stay at home until the result is known

Thank you for your cooperation.

Yours faithfully

*Jeannette Little*
