

# Literacy activities during isolation

(Mon 21<sup>st</sup> – Wednesday 30<sup>th</sup>)

## Tuesday 22nd

### Plan new chapter

The children are to create a plan of what they think will happen in the next chapter (chapter 4) - in line with what the children predicted the previous day.

Ted Hughes has used: alliteration, similes and lots of good description in the story so far. The children are to continue in this style of writing.

The plan should include:

- Description of setting
- Introduction of a new character
- Problem (a new character may challenge the Iron Man to make him leave Earth or help the Iron Man do something)
- Ending

<b>Setting</b>	Describe the setting of the next chapter using adjectives and adverbs
<b>New character</b>	Create a new character to your chapter and describe what they: Look like? Sound like? What do they wear? How do they act towards the Iron Man?
<b>Problem</b>	What problem could the new character bring to the story? or What problem could the new character and the Iron Man face together?
<b>Ending</b>	How will the story end? What will the new character have done to the Iron Man? Or What did the new character do to the people of Earth? Will the Iron Man stay on earth or leave?
