12th October 2021

Dear Parents and Carers,

Having listened to feedback from parents regarding the changes made to parents evening during the pandemic, and keeping in mind that some people may still feel anxious about having face to face meetings, we have decided to continue with phone calls to parents this term to discuss their child's progress. Parents will have the opportunity to come into school for face to face meetings and look at their child's books in the Spring term. We hope that this will accommodate those parents who said that phone calls were more convenient for them and those who enjoy the opportunity to look at their child's work.

The purpose of the meetings this term is to discuss how the children have settled into their new classes and their progress so far. Parents of children with SEND will have the opportunity to discuss their child's individual support plans with the class teacher after half term.

Appointments will be staggered across the week and parents will receive a slip to inform them of their time slot. If you are unable to receive a call during the time slot you have been offered, please get in touch with the class teacher to rearrange.

Please ensure we have an up-to-date phone number in school.

Yours faithfully,

E. Cook

Mrs E Cook
Headteacher
