

1st December 2021

Dear Parents/Carers

Enterprise Week

Next week we will be having an enterprise week at school (in some classes it may also be carried over to the next week). The teachers will be delivering lessons all about money. The children will be learning about what money is and where it comes from, about the difference between needs and wants, that people make different choices about how to save and spend money and about the risks associated with money, amongst other things.

Below there are a few links where you can find resources to help talk to your child about money at home:

<https://natwest.mymoneysense.com/parents/>

<https://www.moneyhelper.org.uk/en/family-and-care/talk-money/how-to-talk-to-your-children-about-money>

<https://www.young-enterprise.org.uk/our-top-tips-for-parents-on-how-to-teach-their-children-about-money/>

Your children will also be making items in their classes and then selling them to try and make a profit. Mrs Cook is giving each class £30 to buy any resources that they need and then the children will sell them to try and make the most profit in the school. They will be able to keep any profit they make and spend it as they wish.

Keep an eye out around the school for posters advertising the event and also keep checking our school Facebook page for information about what is being sold and when and also how much the items will be sold for.

Yours faithfully,

K. Waugh
