3<sup>rd</sup> March 2022

Dear Parents/Carers,

As you all know, in school we have been introducing the children to the linguistic phonics programme Sounds-Write.

Providing the children with decodable reading books to match the phonetic code that they have been taught is an important element of this approach as this gives them opportunities to apply and reinforce their phonic knowledge.

Many of you are reading regularly at home with your children and we would like to thank you for your support with this. We have also endeavoured to read as often as possible in school, as we really do find that the children make the most progress when they read daily with an adult.

With the help of Miss Waugh and some of our Reception children, we have created some videos to show you how we work with the children in school, so that you can also use some of the strategies at home.

We hope that you find them useful. Please let me know if you have any further questions. We will provide further information about supporting more confident readers at a later date.

Yours faithfully,

S. Archer

Mrs S Archer  
KS1 Lead
