OPAL Parents Play

We want our parents to experience the joy of OPAL alongside their children and be part of the OPAL community.

Parents will be invited into school once per term to experience our OPAL offer with their children. We may also have impromptu play sessions (for example, if there is snow).

Each key stage (KS1, LKS2 and UKS2) will be invited to play on different days. If parents have children across key stages, they may visit for each child or join all their children for one session. OPAL leaders from UKS2 will also take part in all the sessions to support the play. Sessions will usually happen towards the end of the school day. Parents will always be invited to share their feedback so we can see what we're doing well and consider suggestions.

2026 - 2027

Autumn	Launch OPAL
Spring	Den building
Summer	Water play

2027 - 2028

Autumn	Launch OPAL
Spring	Muddy play
Summer	Gardening
