Agreement for School

To ensure all children enjoy their right to an education we will do our best to:

- Teach your child regardless of their special educational needs and ensure they are reaching their highest potential
- Ensure your child makes progress and enjoys learning
- Inform parents and carers regularly about how your child is progressing
- Inform children, parents and carers of the topics and projects taught each term by the class teacher
- Ensure the safety and happiness of all children and foster feelings of self-confidence
- Supervise the children in the playground and teach them to play and interact well with each other
- Welcome parents and carers and keep them informed about general school matters
- Work in line with children's EHCP plans*
- Contact parents and carers as soon as possible if we are concerned about a child's health
- Contact parents and carers if there is a persistent problem concerning your child's attendance or punctuality
- Offer a tailored and balanced curriculum which meets the needs of all children, with individualised learning targets where appropriate
- Provide your child with a level of therapeutic provision that is suited to their needs and enables them to access their learning
- Provide after school activities to enrich your child's experience and allow parents some respite
- Maintain an open and mutually supportive relationship with families within the school community
