

A Social Story: Going to the Doctors

When I am poorly, I go to the Doctors.

**A Doctor or a Nurse can help me to
feel better when I'm poorly.**

**Sometimes when I go to the Doctor I
feel scared. I'm worried that the
medicine might hurt.**

Sometimes the Doctors or the Hospital can have strange smells or sounds.

But the medicine will help me feel better. It will help me play and have fun.

When I get poorly, I go to the Doctors.

A Doctor or a Nurse can make me feel better.

Sometimes the Doctors can be a little bit scary.

But Doctors and Nurses are there to help me feel better.
