GESHER SUMMER FETE

From Gesher: The school would like to extend a huge thank you to you all for braving the showers and the thunder to support the Fete; we had a record number of guests and it was an absolute joy to see the whole community come together to eat, chat and have fun. We would like to thank Lucy Hass and Stacey Krett for their incredible organisation skills, and to the many parents who came early to set up, manned stalls and helped clear up at the end - THANK YOU. A special mention must also go to Mark Jankel and Manish Gaur for putting on such a stunning and delicious BBQ and salad feast. We are a very lucky school indeed.

From the PTC: A huge thank you to all those who came along to the fete on Sunday and for adapting to the different layout due to the predicted showers! We had a great turnout and as always there was a fabulous atmosphere with all the children enjoying the activities and everybody tucking into the delicious BBQ and salads courtesy of Mark Jankel and his team. Approximately £2,300 has been raised: this is without any sponsorship due to the forthcoming campaign so is a huge achievement.
