GESHER'S GOT TALENT 2025

This year was our biggest ever Talent Show with a record 20 students taking to the stage to shine in front of friends, family, and teachers. Whether it was singing, dancing, magic tricks, comedy, impressive knowledge based acts or sporting prowess, the show proved that talent comes in many forms. Each act brought something unique to the stage, and it was clear that every performer had put in considerable practice and passion.

The courage it takes to stand on a stage and perform in front of a crowd is no small thing – and each student who took part showed confidence, resilience, and a real love for what they do.

While the performers were the stars of the show, it wouldn't have been possible without the hard work behind the scenes. A huge thank-you goes to the secondary students who made up the tech crew, who ensured the whole show ran like clockwork.

The rest of the students played a vital role in supporting their peers, cheering from the audience. The atmosphere was one of admiration, kindness, support, and true community spirit.

MESSAGE FROM MISS TAMMY

As we reach the end of another incredibly successful year at Gesher, I want to reflect on all that we have accomplished together. It has been a joy to watch your children thrive, making remarkable progress and building lasting friendships along the way. Furthermore it was wonderful to see how the students navigated an inspection in the last week of school, and the inspectors commended their interactions and noted that there were conversations that would not be forgotten.

This year has been filled with exciting adventures, including a number of trips, events and projects that have created long lasting memories. We have also welcomed new starters into our Gesher community, and it has been heart-warming to see them settle in and begin their journey with us.

As we approach the end of the term I wanted to thank you for your continued support and wish you all a wonderful summer.
