REMINDER: SCHOOL BEGINS TUESDAY 6TH JANUARY

HAPPY HOLIDAYS

Happy Holidays Message from Tammy and the Team:

As we approach the end of this school term, I want to take a moment to reflect on the experiences and challenges we have faced together. Throughout it all, we have come together as a strong and supportive community, and I feel incredibly proud to be a part of it. This week, we celebrated Chanukah, which highlighted the importance of the people around us. These moments remind us that coming together can make even the most challenging experiences a little bit easier. As we head into the break, I encourage everyone to take this time to relax, recharge, and enjoy precious moments with family and friends. Wishing Chag Sameach and Merry Christmas to those who celebrate, and happy holidays to all!

Message from Mr. Bradley:

What a lovely end to the term, two Chanukah Enrichments with Parents/Grandparents and four whole school Chanukiah lightings with Chanukah themed activities brought joy and light to everyone involved. The Enrichments included Chanukiah making/decorating, making a Greek feta salad with Tzatziki dip, fibre optic making, and a special interactive Science light show. This enabled students to learn new skills and engage with the beauty of Chanukah. At the end of each day, we had different student representatives say the brachot on behalf of everyone and light the school LEGO Chanukiah whilst each class lit their own. This was followed by Maoz Tzur, Chanukah themed activities and doughnuts sponsored by the PTC (Thank you!) A great and enjoyable way to end the term. Shabbat Shalom, Chanukah Sameach and enjoy the Winter holidays.
