Behaviour

Supporting our pupils to manage their own behaviour and develop into respectful and empathetic young people is one of the most important things we can do as a school. We do this through the broad curriculum we provide (including a comprehensive PSHE curriculum and aspects such as being a Rights Respecting School) and equally importantly in how we as adults approach the hundreds of interactions we have over the course of the average week with individual pupils and larger groups.

We are very proud of the way the children develop over their time with us at GBPS; overall levels of respect are incredibly high and this is often commented upon by visitors to the school and also when we take children on educational visits and residential. We celebrate this through things like weekly awards and 'Diamond Stickers' for amazing effort and adherence to the school rules, but more importantly in the smaller, regular, encouraging interactions adults in school have with the children every day.

If your child has exhibited behaviours indicative of a 'Stage 2' (of the five level scale), parents/ carers will receive an MCAS notification. As part of this, the children will take part in a restorative conversation with a member of staff and following this the expectation is that they themselves will relay the behaviour that has led to this to you as parents. This is intended to encourage the children to take ownership of their behaviour; as such, it may well be that no conversation directly between parents and Class Teacher is needed (although it may be there are certain circumstances where a staff member may reach out for this purpose).

The behaviour policy, with details of the five stages and behaviours which may prompt them can be found on the school website under 'Trust Primary School Policies – Behaviour Policy'.

Practicalities

- Children are provided with a fruit or vegetable snack for playtime each day
- Children in Year Two are eligible for Universal Infant Free School Meals entitlement. You are of course welcome to send your child in with a packed lunch (please ensure there are no nuts).
- PE kit should be in school every day. They will be sent home at the end of each half term to be washed and then returned the following half term
- Uniform remains the same as last year – [full guidance on this can be found here](#)

Collection Arrangements

- The children will leave school from the Year Two door at home time, and will remain at the door until they see someone who has come to collect them
- Please let your child's Class Teacher know if there is any change in collection, this can be done on the door or through contacting the school office
