

Year Five Curriculum Overview

The following curriculum overview may be subject to change. At Gorsey Bank we are constantly evolving our curriculum in response to the needs of learners and national strategies. For the most up-to-date information of what your child is learning please visit our Instagram feed (gbps_yearfive) which is regularly updated throughout the year.

Our curriculum is mapped out for academic subjects in carefully sequenced, knowledge led 8 Year Overviews. Termly Curriculum Bookshelves are thoughtfully curated to inspire pupils whilst exploring our six character traits, which we believe will allow our children to succeed in their future of choice.

These character traits are Kindness, Citizenship, Curiosity, Integrity, Gratitude and Bravery
