My name is _____.

December

can be

a

busy

month.

Some things might

be

different

at school.

This is because it is a special

time

of

year.

There is a celebration called Christmas.

This is an important celebration for Christians.

We might learn some things about the story of Christmas.

We might celebrate at school.

 There might be Christmas play practice.

 There might be singing.

 There might be a party with presents.

 There might be non-uniform days.

December can be fun for some people.

December can be tricky for some people.

This is because December can have lots of changes.

If the changes upset me, I can tell an adult.

My adult

can help me

to stay calm.

They might

help me

make a timetable

They might

help me

make a list.

They can help me

find

a quiet place

away from

the celebrations.

Lots of things

will

stay the same

in December

too.
