SHERLOCK & CINDERS

Dear Parents,

We have made a great start this term to our production. We're so proud of how far the children have come already. Moving forward, it is essential that your child attends each of the three scheduled club sessions. These rehearsals are crucial, as it will give us the opportunity to run through the whole performance when we are up and running this will ensure that every child feels confident in their role and prepared for the big show later on in the year. Consistent attendance allows for smoother transitions, better teamwork, and a polished final production. We want to give your children the best possible experience on stage, and their dedication to these rehearsals will make all the difference. Thank you for your support—we can't wait to see the magic come to life!

Best regards,
Sherlock & Cinders Crew

KS2 Clubs Spring Term offer
