Take turns...

- Take turns blowing bubbles, saying “my turn”, “your turn”. If your child struggles to blow the bubbles, you could catch a bubble on the wand and see if they can blow it off.

Offer choices...

- Blow bubbles “up” or “down” – the child could stamp on them if you blow them down. If you blow them up they may be able to jump to pop them.
- Ask, do you want “more or are bubbles finished?”

What’s happening...?

- Comment on what is happening using simple language e.g. “lots of bubbles”, “big bubble”, “all gone”.

Anticipation and attention...

- Pause between blowing bubbles - see if your child will ask for “more” or make eye contact with you to indicate they want more bubbles.
