

Confident Parenting

'Understanding and Supporting Your Child'

Confident Parenting begins on
Thursday 2nd February at 10.00am
(sessions usually last for about 2 hours).

Our informal group provides opportunities to talk about any issues you have when coping with your child's behaviour, and provides an understanding into why children behave the way they do! There are no set topics so we are free to talk about whatever is important to you and your family.

Our group includes the following:

- Practical advice and support
- Information about other support services
- 'Top Tips' to help you support your child at home
- An opportunity to talk about your own well-being
- And most importantly - support from other parents and carer's in the group
