

SEND WORKSHOPS 2024

delivered via Zoom

ONLINE WORKSHOPS

Are you a parent or carer in need of accurate information delivered in a personable and friendly manner?

Want to feel more confident and informed about navigating the SEND system?

Want to be empowered to get support in place that better suits the needs of your child or young person?

Want to gain a better understanding of the jargon used and feel more prepared?

YES?

Then our workshops are for you!

Supportive and informative workshops delivered by Sara and Karen from 'Smart Bright Training', written with Parents and Carers in mind.

Sara and Karen are experienced SEND practitioners and trainers, who are also SEND parents!

Our experience enables us to draw on professional and personal experiences, share top tips, and explain language and vital SEND information, legislation, and guidance.

We look forward to meeting you soon!
