Supporting your autistic child workshop

The workshop will cover:

- worries and action planning
- common misconceptions
- differences in autistic children
- practical strategies to use in everyday life

These sessions will run 10-12 and must be pre-booked.

One to one appointments

These appointments are for families that have questions or would like to discuss any issues in confidence.

These appointments are available between 9-10am and 1-3pm and must be pre-booked.
