April 2026

Dear parent/carer,

At Hazel Grove High School, we are proud to welcome students from a wide range of linguistic and cultural backgrounds. We are committed to fostering an inclusive environment where every student feels supported and has equal opportunities to thrive.

Many of our pupils grow up in multilingual households and may speak or understand more than one language. The Department for Education refers to these students as having English as an Additional Language (EAL). Some may be fluent English speakers, while others are still developing their skills. Regardless of where they are on their language journey, we value each student's unique contribution to our school community.

To help us offer the most appropriate support and opportunities, we would be grateful if you could complete the short form linked below if your child speaks or understands more than one language. Your response will enable us to better understand your child's needs and ensure they receive the support necessary to achieve their full potential.

Thank you for your continued support.

[EAL Responses](#)

We would be grateful if you could complete the form by Tuesday 1st September 2026.

If you have any questions regarding this form, please send an e-mail to this address:
eal@laurustrust.co.uk

Yours faithfully,

Zara Aguilar
