

Welcome

Huge congratulations to FORTIUS (Stronger) for winning the House Award this half term - as pictured with our splendid Fortius House Captains! The children in Fortius were all celebrating in style by wearing non-uniform clothing today. The House points have been reset so that each House has the same chance to win next half term - who will it be..?

Reading Superstar
Certificate

We are also very excited to announce our new certificates to celebrate our amazing Reading Superstars! Teachers can nominate children for reading enthusiastically at home or in school and we will celebrate a love for different genres, authors and stories!

The Reading Superstars will be named each week in the newsletter too.

Every Day Counts

Our school target for attendance is 96%

Learning Together

Classrooms are communities. Being present means more than attending lessons; it's joining discussions, sharing ideas, and supporting classmates. When everyone shows up, the whole class learns and grows together.

Subject Spotlight:

Music

We love learning about all different types of Music at Hazel Grove! We learn all sort of different instruments such as ukuleles in Year 3, keyboards in Year 5 and steel pans in Years 4 and 6.

Our favourite instruments though, are our our voices because we can use them anywhere - including the Co-op Live Arena in Manchester where a group of us travelled yesterday to join eight thousand other enthusiastic singers as part of the Young Voices Choir 2026!

We had a great time, represented our school incredibly well and sang our socks off. Here are a couple of pictures of the event.

This Week's Certificate Winners

Ocean, Teddy, Matthew

Radiya, Joey, Harper

Roman, Kabelo, Salvatore,
Olive, Yara, Kaiden

Free School Uniform Giveaway!

Reloved School Uniform is hosting a “pop up” this half term, where they will be giving away preloved, brilliant quality primary school uniform. Think “Vinted” for school uniform, with no charge and zero hassle!

They will be at Hazel Grove Library on Thursday February 19th from 12.30-4pm. Just come by!

We also have a LOT of lost property and spare uniform at school so please ask us if you are missing any items.

House Points so far for next half term...

 <i>Faster</i> 65	 <i>Higher</i> 44
 <i>Stronger</i> 38	 <i>Greater</i> 50

Online SAFETY

This leaflet provides an overview of what families need to know about Roblox. It highlights potential risks such as in-game spending and communication features, while offering practical tips to keep children safe.

We hope it supports you in having informed conversations with your child about their online experiences.

From the Gallery

Class 4-5BH Impressionist Art Work

We have been learning all about Pablo Picasso and his impact on the World of Art. We loved using some of his techniques and combined them with our own creativity to produce these masterpieces! We hope you enjoy experiencing them as much as we loved creating them.

Happy Valentine's Day for tomorrow and have a wonderful half term holiday. We look forward to welcoming the children back on Monday 23rd February.
