

2020/21 SWIMMING PERFORMANCE DATA

Meeting National Curriculum Requirements for Swimming and Water Safety	Percentage of Cohort
Percentage of our current Year 6 cohort who can swim competently, confidently and proficiently over a distance of at least 25 metres:	37%
Percentage of our current Year 6 cohort who can use a range of strokes effectively (for example, front crawl, backstroke and breaststroke):	33%
Percentage of our current Year 6 cohort who can perform safe self-rescue in different water-based situations:	33%

**Due to Covid-19, the Year 6 cohort was not able to attend swimming sessions this academic year and this resultantly limited the progress that we had aimed to achieve. Upon the re-opening of pools with a maximum group-size of 12, we targeted our least-confident swimmers (based on the data from their last block of swimming lessons from September - December 2019) to attend a catch-up booster programme of swimming during the second summer half-term of 2021.*
