

# School Council meeting 23.1.24

School council have been looking at the finalised plans for the wellbeing garden. They are so proud of how many of their ideas have been included.

We have looked at the amazing designs for traffic safety signs Hebburn Lakes children have designed for our carpark. We have chosen a few and will meet Mrs Moody next

week to finalise or tweak the designs.

We have also met with Mrs Thomas to look at some new ideas for breakfast club. It was

agreed that we will  
print some games etc  
to be made in school  
and also meet with Mrs  
Moody to bid for a club  
budget to buy some  
items.
