

children  
INSPIRED  
by yoga  
.com

Our programmes are designed to support physical development, emotional development whilst building confidence and developing self-regulation skills.

Aligned with the National Curriculum, all elements of our programme are carefully created to support your child's growth and development in the best way.

*"I took my daughter to a class and she LOVED it. Lily often gets bored and loses attention in structured classes but Vanathi kept her attention through the whole class."*  
-Becca B- parent

Come and join us in the magical world of Tatty Bumpkin!
