

School Council are OPAL Ambassadors!

School council met with Mrs Docherty to discuss their new roles as OPAL Ambassadors. They looked at and agreed the new OPAL charter. The children then talked about their duties as ambassadors which are:

- To ensure that equipment is being used appropriately.
- If they find any broken equipment they need to give to staff.

- If they see anyone without a friend in an area encourage the children to play together or find a friend, unless they are happy playing by themselves.

We also agreed a 'Golden Bucket' award which will be introduced in a few weeks. The ambassadors will look for children who are following the charter, being amazing, fabulous tidying etc. They will award a child who will then place their award in the Golden Bucket. The awards will be counted by the School Council later in the week and a child from each key phase will get a certificate in assembly on a Friday.
